Romulus schools ask for \$11 million bond

A \$11 million bond issue to construct three new elementary schools and one new junior high will be placed on the June 11 ballot, Romulus school officials announced this week.

The action to place the bonding question on the June ballot came at Monday night's regular board meeting — after the board received notification that the proposal had been approved by the State Board of Education.

School Supt. Robert L. McOnghegy said the \$11,500,000 bond issue proposal will be paid on a 30-year loan rate.

HE EMPHASIZED that the building of the three new schools will be paid by local millage, with no funding coming from state or federal agencies.

Approval to place the bonding question on the ballot came from board members Jason P. Lovette, Gerald Budd, Carl Morris, Ronald Christensen, and Helen Hayes.

Board member Mrs. Diane Boger, who objected to the wordage used in the ballot proposal, voted against the project. Jack A. Bath also cast a negative vote.

AT THE PRESENT rate, Romulus Community Schools' school millage tax rate is lower than surrounding school districts in Western Wayne County.

Passage of the bond proposal would also provide "improvement funds" for existing school facilities.

In urging citizen support, McOnghegy said: "It is imperative that the bond issue passes. Further delay in an affirmative vote will compound our already severe housing problems and greatly increase the eventual cost of construction."

IN 1963 THE district's student enrollment was recorded at 4,310. According to the latest student tabulation, enrollment is about to top the 7,000 mark. School officials said if the

district's present equalization factor remains the same (1.77) and the June bond issue passes, the present school tax

rate of 34.70 mills would be applied to the state equalization property valuation rating of \$8,850;

resulting in an increase of about \$37 over what the average home owner paid in school taxes last year.

City employees to get raises

By JIM CARRAVALLAH
Uncle Sam, once a miser in the eyes of Romulus city employees, looks as good as gold to those employees today.

The federal wage-price freeze guidelines went tumbling down last week for the city employees when the city's legal firm, Elmsman, Young & Burke, informed the city council that the city's pay raises would be 5.5 per cent.

The change would award 7 per cent increases to employees from July 1, 1971, and another 6 per cent increase to those same employees from July 1, 1972 to present.

EMPLOYEES had received 5.5 per cent from Nov. 15, 1971, to July 1, 1972, and another 5.5 per cent increase from July 1, 1972 to the present.

The change will mean an immediate pay increase of 15 cents per hour for an automobile mechanic who had been making \$5.25 per hour under the former guidelines.

Back pay awards for that same mechanic would amount to nearly \$300 dating to July 1, 1971.

"I REALIZE that we are presenting the city treasurer's office with a monumental task, but the guidelines say that all raises will be computed from seven per cent increases over wages instead of the former 5.5 per cent increases," said City Atty. Peter O'Rourke.

Employees who were negotiating a labor contract at the time of the wage-price freeze in 1971, were held without a raise from the time

of signing the contract on July 1, of that year to Nov. 15 of the year.

Then the employees suffered another setback when they were informed that the wage freeze had been lifted, but that a ceiling on salary increases had been placed in its stead.

ALTHOUGH it took nearly two years, two clauses in the new contract saved the employees from permanent damage as a result of the freeze.

The two clauses stipulated that both the city and the Teamsters Union would attempt to secure raises above the 5.5 per cent guidelines and that both parties would attempt to increase raises from Nov. 14, 1971 to the present.

Romulus to settle ambulance hassle

By JIM CARRAVALLAH
The hassle over which of two ambulance contractors will serve Romulus may be settled.

Romulus Mayor Hyle Carmichael said Monday he will not vote a motion by the Romulus City Council to rescind the council's approval of an ambulance contract with Superior Ambulance Co.

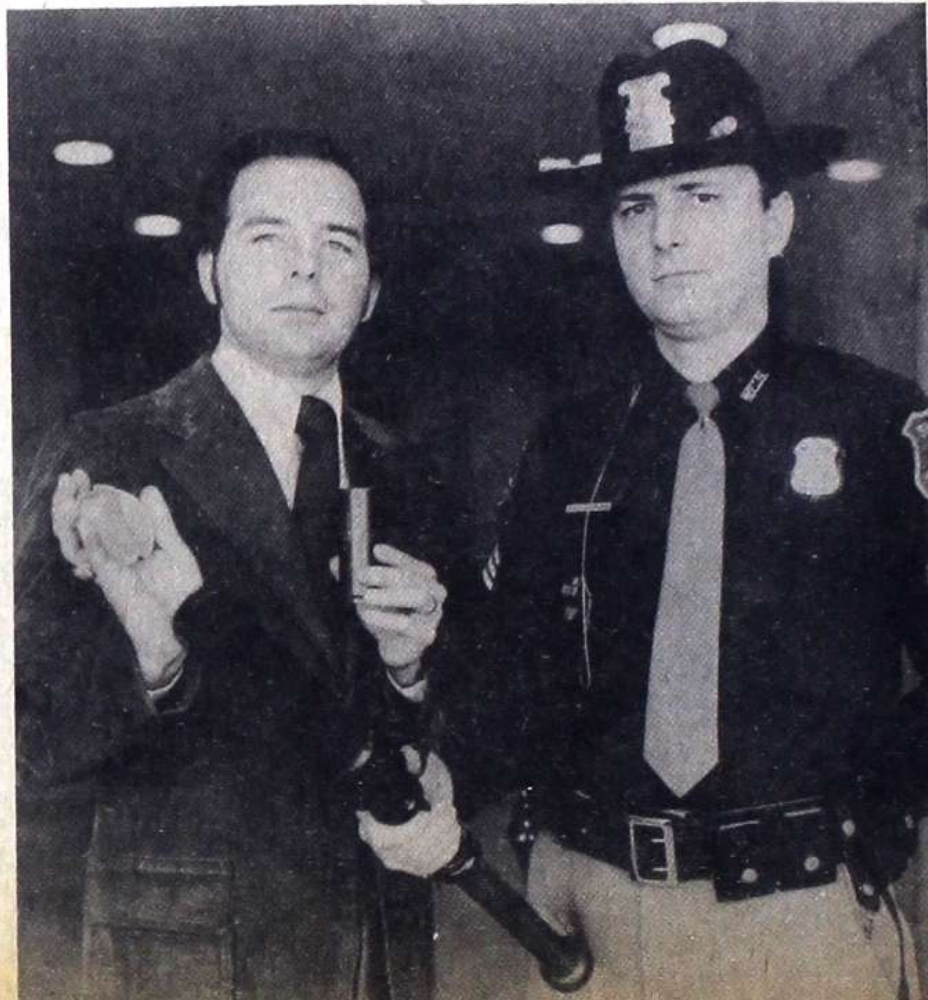

The action gives General Ambulance Co. the city's emergency vehicle contract by default.

The hassle over the contracts started in early March when Superior, the city's carrier for the past two years, threatened to withdraw services from the city unless the council approved a new contract.

THE COUNCIL held a special meeting March 10, and ratified the contract with Superior.

The contract called for full ambulance service at a cost of \$4,200 per year. Superior agreed to station ambulances within the city limits of Romulus, in an effort to better service.

General Ambulance came before the council later in the month with a presentation offering service at a cost of

STINGER STICKS ONLY STUN — Wayne County Commissioner John Hertel and Wayne County Sheriff Dept. Sgt. L.R. McConnell display the "stinger stick" that fires a bean-bag like projectile instead of bullets. Although the projectile could kill a suspect, the weapon is being considered for use because it is less deadly than a gun.

Use of 'stinger stick' is sought for sheriffs

By JIM CARRAVALLAH
A Wayne County commissioner's regular perusal of a newspaper may change the

county sheriff department's firearms in the future.

Commissioner John Hertel (D-2nd District) proposed yesterday that the Public Safety and Judiciary committees look into purchasing "stinger sticks" for the sheriff's department.

Billed as a "less lethal" weapon than a gun, a stinger stick fires bean-bag-like projectiles at suspects, in an effort to stun rather than to disable or kill.

"I READ in the newspaper that these were used in Clark, N. J.," explained Hertel, of Detroit. "They're called 'less lethal' because they aren't used to kill, though under certain circumstances, they could kill a victim."

"I think these are a good idea for officers, because they make an officer's decision to shoot or not to shoot easier."

"In many cases, an officer will hesitate to shoot a suspect, and ends up harming himself because of his hesitation. This weapon removes some of the fear of harming bystanders with a gunshot, and may save some of our officers' lives."

"It isn't the idea that I want to disarm the police, but I would like our officers to have an optional weapon for use in certain situations."

ACCORDING TO Wayne County Undersheriff Loren M. Pittman, Dade County, Fla., has used the 'stinger stick.'

"From information we have received," explained Pittman, "it appears as though the ideal range for this weapon is from 25 feet to 50 feet."

"At that range, it's designed to knock down a suspect by firing a high velocity bean bag-like projectile. If it happens that the victim is able to get up and flee the scene immediately, the bag is designed to excrete an indelible dye, which could be used as a clue by an officer later."

In his proposal, Hertel asked the two county committees to consider appropriating nearly \$2,200 for research of the weapon.

THE FUNDS will be used to train several officers in the weapon's uses and to purchase six weapons. The county already has six weapons on hand, but has not used them to date.

"At Commissioner Hertel's suggestion, we'd like to take training in the use of the weapon and test its capabilities," explained Pittman.

The sheriff's department plans a demonstration of the weapon within the week for commissioners on the two committees.

Students pick up New Boston litter

A once-a-month litter pick up program for the community of New Boston and surrounding areas by students attending the Hannan Road Elementary School, 18955 Hannan Rd., New Boston has been initiated.

The new student-operated program is being supervised and sponsored by the Parent-Teacher Organization (PTO) at the school.

The program began at 1:30 p.m. Monday when the students armed with litter bags started their planned once-a-month pick-ups, said Charles La Valley, publicity chairman of the project.

"This program will be in addition to the regular twice-a-month rubbish pick-ups made by the administration of Huron Township," LaValley added.

The students will leave their filled litter bags at fronts of various residential sites for pick up by the township's regular rubbish collector.

LaValley said the clean-up project by students was just another idea and project of the new and recently created Huron Township Citizens Committee that aims towards programs and projects that will improve and enhance the welfare and future growth of the township.

County to reconsider cut of Metropark fund

A Wayne County commissioner yesterday froze all action on the stop-payment order for millage funds to the Huron Clinton Metropolitan authority (HCMA) until the board of commissioners' May 17 meeting.

Samuel Turner of Detroit filed a motion to reconsider

the commissioner's action on May 3 which directed the County Board of Auditors to withhold the balance of this year's millage allocation to HCMA.

In effect, the reconsideration motion revokes the halt-payment order, a county representative said. The county's installment payment on its \$3 million millage allocation to the HCMA is not due, so the stop-payment order actually had little meaning, he added.

THE BOARD of commissioners adopted a resolution at its May 3 meeting calling on the HCMA to acquire Belle Isle and a 2,500-acre parkway in Western Wayne County. For emphasis, the board directed the auditors to withhold the balance (\$2.4 million) of this year's allocation to the authority of \$2.4.

The motion to cut off funds was passed by an 18-to-2 margin, with two abstentions. Commissioners John N. Sabo who represents Romulus and Huron Township and Richard E. Manning of the Livonia-Northville area opposed the motion.

Sabo yesterday said the board had no right to withhold money from the authority because the people of the county voted for the HCMA.

THE HCMA was created by a vote of the people of Wayne, Livingston, Macomb, Oakland and Washtenaw counties in 1940. The voters approved financing of one-quarter of a mill in revenue from each

county's 15-mill allocation.

A spokesman for the HCMA said the board of commissioners cannot legally withhold \$2.4 million in tax funds from the authority.

"Regardless of the Wayne County Board of Commissioners' position, we do not believe that Wayne County

Residents take out election petitions

Petitions for a spot on Romulus' Aug. 7 primary election ballot have been taken out by 19 residents of the city, including two incumbent councilmen.

Councilmen Brooker Edwards and Ellis Pennington, both have served since the city was incorporated in 1970, took out petitions to gain enough signatures to run for reelection.

Edmund Bizak Sr., former Romulus Township Supervisor who left the position to run for a seat on the Wayne County Board of Commissioners, also took out a petition.

Bizak did not specify the reason for taking out the petition.

John Gilligan, who has been before the city council to complain about traffic control measures, took out a mayoral petition.

Beverly McAnally, long-active in school district af-

fairs, also has taken out petitions.

Other residents taking out petitions were Jean Lee, Gervazio Canejo, Larry Davis, John Kurszke, Frank R. Kudla Jr., Frederick Montgomery, Thomas J. Gendek, Gilbert E. White, Jr., Donald Treder, Joseph Saval, (Continued on Page 3A)

Dugan Lumber Yard is damaged by fire

A fire which caused a considerable amount of damage to the Dugan Lumber Yard in New Boston is under investigation by the state fire marshal and Michigan State Police, said Harold Ashby, police chief in New Boston.

The fire which broke out at 6:10 a.m. Monday and brought under control around 9:30 a.m., destroyed the lumber company's main building and considerable amount of

lumber stock, according to reports.

Firemen from Romulus and Brownstown Township assisted the Huron Township Fire Department. They saved two smaller structures at the lumber yard, according to reports.

No estimate of fire damage was available.

The company is owned and operated by Ralph Dugan of New Boston.

Rotarians host wives

The annual observance of Ladies Night of the New Boston Rotary Club was reported a "big success."

The affair was held in conjunction with the club's regular weekly dinner-meeting held at Orchard Grove, located at Middlebelt and Sibley roads, New Boston.

Before club members and their wives heard the guest speaker, T. R. Jahr of Belleville, an architect, they heard a report from Elwood Krzyske, chairman of the Easter Lily sale.

Krzyske said the Rotary club collected over \$500 as a result of the sale of lilies and the canisters that were placed around Huron Township. This money goes to Southwest

Region for Crippled Children in Inkster.

The group also heard Gene Rakotz, co-chairman of the Mystery Trip announced that Tuesday, June 19, will be the night when the Rotarians and their wives will leave on a Mystery Trip to somewhere.

Luke Wegienka, president, announced that Saturday,

June 2 is the date set for a pancake-sausage dinner sponsored by the club. He also invited the Rotarians wives to help in the preparation of the meal.

The program Jahr presented was his trip to several European countries. His slide presentation was very exciting and informative.

Studded tires are now illegal

Motorists in Michigan still using studded tires in the operation of their vehicles are reminded by Col. John R. Plants, State Police director, that the lawful seasonal period for such use expired Tuesday, May 1.

Failure to remove such tires from vehicle use can result in ticketing by police for a traffic law violation and subject to the penalty related to conviction on this misdemeanor charge.

With annual vehicle inspection programs resuming by many police departments in Michigan this spring, Plants pointed out that illegal use of studded tires will be one of the first items checked by officers. He emphasized that there can be arrest for this violation by regular police patrols anywhere after the legal use deadline, not just at inspection locations.

Present Michigan law provides for legal use of studded motor vehicle tires between Nov. 1 of one year and May 1 of the following year.

Under legislative consideration are proposals to prohibit the use of studded tires in the state.

Questionnaire on drugs, VD put to students

Twenty seven hundred high school students in 10 districts in Monroe County have been asked to fill out a 65-point questionnaire which explores their knowledge of alcohol, drugs and venereal disease.

This is the opening gun in a campaign which Gary Brown, director of the Monroe County CYO, is starting to introduce expositions on the nature and dangers of alcohol, drugs and venereal disease into the curricula of the Monroe area high schools in September.

The data provided by the questionnaires will form the basis for developing four one-hour lectures — one on the symptoms, cures and treatment of VD, the others on the physiology and psychology of alcohol and drugs, on the symptoms, cures and treatment of alcoholism and drug addiction, and the final dissertation on drugs, alcoholism and traffic safety.

"From the questionnaires, we hope to learn just how much the average student knows about these subjects," Brown explains. "Then we will frame our talks to answer

their questions and meet their needs."

The lectures will first be presented to teachers' assemblies in August. Then, beginning in September, the talks will be given to 8,000 students in the 10 cooperating school districts, at the discretion of the school principals.

State aid payments reported

School districts in Michigan's 15th Senatorial District represented in the Michigan Senate by Sen. William Faust received \$6,405,498 in state aid payments in April.

Sen. Faust said the state aid payments went to Lincoln Consolidated School District, \$137,550; Van Buren Public School District, \$390,770; Romulus Community School District, \$3,220; Huron School District, \$214,790 and Wayne Community Schools, \$1,824,890.

These school districts received state aid payments in April, June, August, October, November and February.

Brown, who conceived the program, has gotten together a task force of doctors from the Monroe County Health Department, teachers from the University of Michigan, and experts on alcohol, alcoholism and drugs to make the presentations. He is coordinating the project in cooperation with the Monroe County Health Services and the Monroe County Health Department.

Romulus hosts state course

The Institute for Community Development at Michigan State University has selected the Romulus Continuing Education program to host a governmental bookkeeping course this spring.

Class sessions now under way at Romulus Senior High School are designed to provide a working knowledge of the Michigan Uniform Accounting system for city, county and township treasurers, clerks and bookkeepers.

William Smith, community school director for the district, announced that 10 area governmental units have sent representatives to the class including the City of Romulus, Van Buren Township, Lincoln Park, Frenchtown Township, Huron Township, Ypsilanti Township, Erie Township, Woodhaven, Ann Arbor and the City of Detroit. The instructor for the course is Dr. William Kimball of the Eastern Michigan School of Business Administration.

For road patrol

Cost-sharing plan eyed

By HENRY CANTIN
The Public Safety and Judiciary Committee of the Wayne County Board of Commissioners will seek a "committee of cost-sharing" from out-county areas served by the Wayne County Sheriff's Department road patrol services.

The committee began another hearing at 2 p.m. Tuesday in Room 902 City-County Building, Detroit, with supervisors and other officials of the "concerned" areas on the future funding and operation of the road patrol division in areas involved.

The Wayne County Sheriff's road patrol unit provides free patrol and law enforcement services to the communities affected.

Romulus to settle hassle

(Continued from Page 1A)

"I don't see the reason for a special meeting, because tract was awarded, the full council should sit in on it. Romulus had gone without an ambulance service for the past 150 years, and now, all of a sudden it's an emergency thing. I think it's a big farce to pay an ambulance service to sit in the city."

Stewart said he voted to rescind the contract approval because the city got a better price. "It's the taxpayers' money."

THE BOARD of commissioners which controls budgetary funds for the sheriff's department wants the involved communities to pay at least part of the cost of the road patrol services or provide their own police services.

The first session held on the future of the road patrol service to the townships was conducted in Detroit April 17. The question of the "all-important" service to the areas was left unresolved.

The supervisors of the townships are fighting the Wayne County Board of Commissioners' move to end road patrol services to their communities. They contend that residents of their communities are paying taxes to the county and are entitled to patrol service.

Plymouth, Sumpter and Van Buren townships.

The Wayne County Board of Commissioners which has jurisdiction over the Wayne County Sheriff's Department budget, has funded the road patrol only until August this year. This is in line with its decision two years ago to eventually discontinue free service to the townships.

The sheriff's department provides law enforcement and patrol service to the City of Romulus under a three-year city-county approved contract, reported to be the first in Michigan.

Supervisors of the affected townships contend that their communities are not financially able to provide ad-

ditional police services or create their own police force unless their respective electorates approved the necessary millage.

The Wayne County Supervisors Association President George W. Moore, supervisor of Huron Township, said that the association has set up a legal fund from contributions from involved areas for court action, if necessary, to "compel" the board of commissioners to continue the services of the road patrol.

Some townships, anticipating the commissioners' action to end the road patrol, have started, within their present financial means, to strengthen their police

Area man to speak at medical seminar

A Romulus resident will give the welcoming address at the second annual seminar of the Metropolitan Detroit Medical Seminar this weekend in Detroit.

John G. Roundtree II, founder of the society and its president, will welcome high school students from throughout the Metro-Detroit area to the seminar at 11 a.m. Saturday at Wayne State University. The seminar is aimed to inform students of opportunities in medicine.

This year's seminar will feature a talk by Dr. Pang L. Man, M.D., director of research at the Northville State Hospital, on acupuncture.

Dr. Everhard F. Mannen, chairman of the admissions board at Wayne State University School of Medicine will discuss admission to medical school.

Dr. Charles C. Vincent, M.D., assistant professor of gynecology and obstetrics at Wayne State, will discuss his specialty with students.

Dr. Natalia Tanner, M.D., will discuss adolescent medicine.

County reconsiders cut-off

(Continued from Page A-1)

has a choice as to whether to pay the tax funds to the HCMA," said David O. Laidlaw, director of HCMA. "The Michigan Supreme Court decided this question in favor of the authority in 1942."

"If the funds are in fact withheld, we would consult our legal counsel and would have to reassess our financial situation."

At its May 3 meeting, the commissioners unanimously directed its legal counsel to challenge the present structure of the seven-member authority board in court on grounds that it violates the "one-man, one-vote" principle.

The HCMA consists of one member appointed by the board of commissioners of each county, plus two at-large members appointed by the governor.

Wayne County has two representatives on the HCMA board: county appointed William E. Kreger and governor appointed Kurt R. Keydel of Detroit.

The commissioners are challenging the structure of the authority board because of growing resentment over the authority's plans to develop parks in out-lying areas, while contending it does not have funds for close-in projects such as the Belle Isle acquisition, a county spokesman said.

"Our contention is that we don't have to pay on a basis of the U.S. Supreme Court decision regarding one-man, one-vote," Commissioner Paul Silver of Detroit said.

"The present structure of the authority board violates the principle of proportionate representation and amounts to taxation without representation," he said.

ACCORDING to reports, Wayne County has 59 per cent of the population in the five-county area and contributes 56 per cent of the HCMA millage, but has 26.8 per cent of the authority's park land located within its boundaries.

Authority director Laidlaw said, "The proportion of visitors from Wayne County is more than one-half of our annual total users and roughly commensurate with the money coming to the authority from the people in Wayne County."

The HCMA has proposed an expansion program of the redevelopment and operation of Belle Isle and development of three new Metroparks at the time they requested an additional one-quarter mill in property tax revenue. The tax increase was defeated in August, 1972.

Wayne County has two parks in operation along the Huron River and a third under construction will be open within the next few years. Some land also has been acquired towards an eventual

fourth regional recreation site north of the Huron River and along Lake Erie, Laidlaw said.

COMMISSIONER Brian Arrowsmith who represents the City of Wayne, and Canton, Van Buren and Sumpter townships, yesterday said:

"I feel there is an inequity where money is being spent. Most of the parks are in other counties. The county commissioners mainly are concerned because funds are going to other counties for parks rather than being spent in Wayne County."

"It's unrealistic at this time to think about a Western Parkway (park in Canton or Plymouth) because most of the land is gone by now."

"Besides that, land value in

Western Wayne County is fairly high and the authority probably doesn't have enough money for a Western Parkway."

Katherine Kyko, Wyandotte man exchange vows

Wearing the gown in which her mother had been married, Katherine Grace Kyko exchanged nuptial vows and wedding bands with William James Kucyk Jr. at Holy Resurrection Orthodox Church in Southfield May 5.

The daughter of Mr. and Mrs. Leo Kyko of 18904 Hannan Road, New Boston, the bride was escorted by her father. The five o'clock ceremony, performed before an altar adorned with vases of gladiolas and daisies, was read by the Very Reverend Nicholas Fedetz.

Organist for the wedding, Mrs. John J. Wagner of New Boston, accompanied Nedra Tavignin, the bride's college roommate, as she sang "Never My Love," "One Hand, One Heart" and "People."

MISS KYKO appeared in a traditional white gown styled with a lace bodice featuring a sweetheart neckline and leg of mutton sleeves which tapered to points over the wrists. The full skirt of marquisette was accented with a ruffle which dipped from the waistline to the floor to form a border for the hem and cathedral-length train.

An orange blossom crown secured her three-tiered illusion veil which was trimmed with lace and a cascade bouquet of fuchsia mums, white carnations and roses, stephanotis, baby's breath and a double cymbidium orchid completed her ensemble.

As her sister's honor attendant, Jan Kyko wore a toe-touching gown fashioned with an ivory crepe bodice and coffee-colored nylon organza skirt over taffeta. Complementing her dress were an ivory picture hat with a floral crown in coffee tones and a colonial bouquet of yellow daisies, sweetheart roses and baby's breath.

BRIDESMAIDS INCLUDED Mary Kyko, another sister of the bride; Shari Gross, a sorority sister from Flint; Pamela Hinds, a sorority sister from New Boston; and Mrs. Cecelia Wood of Southgate.

Their long frocks were designed with ivory crepe bodices and gold skirts with picture hats to match and colonial bouquets of white daisies, yellow sweetheart roses and baby's breath.

The bridegroom, son of the senior William Kucyks of 341 Clinton Street, Wyandotte, asked a fraternity brother, Brian Busatti of Wyandotte, to serve as best man. Others on the esquire side were Pat Clark of Riverview; Bob Shaffer, a fraternity brother from Clawson; Jim Wallace of Wyandotte; and Larry McDaid, another fraternity brother from Ypsilanti.

For her daughter's wedding, Mrs. Kyko chose a formal gown of apricot floral print in nylon organza to which she pinned her corsage of white daisies and yellow sweetheart roses. The bridegroom's mother donned a blue lace floor-length gown and corsage of white daisies and pink sweetheart roses.

Some 400 friends and relatives attended the reception which followed at the Romulus Progressive Club.

The new Mrs. Kyko completed a two-year secretarial course at Eastern Michigan University where she affiliated with Sigma Nu Phi Sorority. She is currently employed by the Ford Motor Company, Brownstown. Her husband spent three years at EMU (where he was a member of Theta Chi Fraternity) and is now serving with the U.S. Army Military Police at Selfridge Air Base in Mt. Clemens.

The rehearsal dinner, hosted by the bridegroom's parents, was held at Symak's in Lincoln Park.

California is the most populous state in the U.S., with the 1970 census tallying 19,953,134 persons.

Mothers, daughters to be feted

A mother-daughter banquet will be held Thursday, May 10, at the Romulus Wesleyan Church, 37300 Goddard Road, Romulus. The 6:00 dinner, featuring turkey and all the trimmings, will be followed by a special speaker, Lola Baker, wife of the Rev. John Baker of the Free Methodist Church on Venoy Road.

There will be no charge since the Wesleyan Mens' Fellowship group, under the guidance of its president, Scott Dearing of Lauren Court, Belleville, will not only assume the entire cost of the meal, but will also prepare and serve it.

ALL SPRING! — The Van Buren Garden Club spent a busy day April 27 as members gathered at the Belleville Library for a tree-planting ceremony. Each year the club plants a tree in honor of its president. This year it also paid tribute to a member of long-standing who recently moved to a new home in Fenton. The current president, Mrs. William (Audrey) McKee center, with shovel) and Mrs.

Paul (Lydia) Clark (left, with shovel) are the two ladies for which the trees were presented. The Amelanchier Canadensis, better known as Juneberry or Shadblow, is a small tree or deciduous shrub of the rose family and is a very hardy plant. Its delicate white flowers, freely produced in the spring, are one of the most conspicuous of the woody plants. Others at the spring event were (from left)

Mrs. Marie Graham, Miss Ellen Gould, Mrs. Clara Hoag, treasurer; Mrs. Margaret Hanna, Mrs. Blanche Atyeo, Mrs. Helen McClatchey, librarian; Mrs. Leona Baker, corresponding secretary; Mrs. Ruby Clayton, Mrs. Jean Randall, recording secretary; and Mrs. Violet Horste. Funds for the trees were made available by the Belleville Rotary Club.

Van Buren Garden Club honors two members at tree planting

As its speaker Tuesday afternoon, April 24, the Van Buren Garden Club had the Rev. Raymond Bair, former pastor of the First Presbyterian Church, Ypsilanti. He spoke on "Gardens of the Bible" with three of the 39 mentioned being outstanding.

The club's hostess was Mrs. F. (Nell) Van Wormer of Juniper Drive and guest for the meeting was Mrs. Denton Emmert, Director of District I, Federated Garden Clubs of Michigan.

Wednesday evening, April 25, the club traveled to Carleton to fill an invitation from the Carleton Garden Club.

ON FRIDAY, April 27, members held a tree-planting ceremony at the Belleville Library honoring two of its

ladies, Mrs. William (Audrey) McKee, president, and Mrs. Paul (Lydia) Clark who has moved to Fenton. Each year the club plants a tree to honor its president.

This year it also wished to

pay tribute to a member of long-standing, Audrey McKee, who was born in Detroit where she was a career girl in religious education and worked with youth groups. It was during that time she met and married her husband, Paul, a native of Pennsylvania, who is employed in an administrative capacity by a general contracting firm.

Because of his work, the McKees came to this area in 1965, moving into Van Buren Township and then into the city of Belleville.

Audrey, with her husband, enjoys making things grow, facing the fact that they are putters more than professional gardeners. Other hobbies and interests are Audrey's cooking, which is her main hobby in addition to being a proficient housewife, and also salt and pepper set collecting and candlemaking.

LYDIA OLSON CLARK was born in Ishpeming, graduated from the University of Michigan in 1914 and came to make her home in Belleville where she was a Red Cross

visiting school nurse in several county schools. In 1917 she went to France where she served as a Red Cross nurse during World War I.

Returning to Belleville, she continued her nursing and later married Paul Clark. They resided on Liberty Street until selling their home this spring to move to Fenton.

The Van Buren Garden Club is marking its 17th an-

niversary this year having been started as a neighborhood club by a group of Lake Pointe Pass ladies.

In 1956 it was sponsored by the Ypsilanti Garden Club and joined the Michigan Federation. Its first president, Mrs. Bea Needham, was honored by a lifetime membership. The club's second president, Mrs. Walter Molik, was instrumental in beautifying the corner on the lake across from Hayward's party store.

Since its beginning, the club has always provided flowers for the library tables and in later years has maintained the grounds and landscaping.

Through the past years, the club has enjoyed a variety of programs, many of them through the fine work of Mrs. Edward Kapelanski who, with Mrs. Molik, will soon be receiving her third diploma in Japanese flower arranging, Ikenobo school.

The club has an active membership of interested garden lovers, many of senior status, some in the everyday work-a-day world, but all being interested enough to "sneak away" for a couple of hours.

Some members have large homes and no gardens, not as we think of them in structured rows, but landscaped by nature. Some have small homes and small backyard plots; others have apartments filled with houseplants, but all share one thing, "the gardens of the mind."

Kalamazoo co-ed is in Dallas, Texas

Most Kalamazoo College sophomores are not at the college during the spring.

Instead, they are participating in the career-service program, part of the college educational plan which features off-campus assignments as well as on-campus academic offerings.

Among the students who make their own selections, rather than being assigned to specific positions is Luanne Smith, daughter of Mr. and Mrs. Bert G. Smith of 41435 Edison Lake Road, Belleville.

Miss Smith is currently in Dallas, Texas filling the position of senior clerk in the medical school library of the University of Texas. She began her assignment in March and will return to Kalamazoo for the summer term in mid-June.

Daughter's engagement is announced

Mr. and Mrs. James Elias of 44035 Expressway, Belleville, announce the engagement of their daughter, Nifodora D., to David Andrew Krumrie, son of Mr. and Mrs. Lester H. Krumrie of Bridgman, Michigan.

A graduate of Belleville High School, the bride-elect is a scholarship student at Columbus College of Art and Design in Columbus, Ohio.

Her fiancé was graduated from Lake Michigan College, is president of the Bridgman Jaycees and is self-employed.

Study Club has 34 at card party

Mrs. Lester Corzine, president of the Belleville Women's Study Club, opened her home for the club's April 25 benefit card party, the proceeds of which were earmarked for Girlstown.

Mrs. Charles Patterson, chairman; Mrs. Corzine, Mrs. J. S. Sickle, and Mrs. Andrew Krebs furnished refreshments.

Members of the Romulus Literary Club, Belleville Junior Study Club and friends — 34 in all — were in attendance.

Mrs. Olin Wyman and Mrs. Gerald Miller contributed table prizes, small pansy-filled milk glass compotes which decorated the tables.

Mrs. P. Thompson and Mrs. Cleveland Roe each received a door prize.

Local teacher sets winter altar date

Two graduates of Belleville High School and Eastern Michigan University, Kae Ann Wenzel and Jay E. Hartford, are engaged and making plans for a winter wedding.

The bride-elect, who is a fifth grade teacher at Haggerty Elementary School, Belleville, is the daughter of Arthur T. Wenzel Sr. of 109 Madelon Street, Belleville, and Mrs. Alice Watson of 12511 Addison, Tacoma, Washington.

A 1972 graduate of EMU, Miss Wenzel earned her degree in special education in the field of the emotionally disturbed.

The prospective bridegroom, son of Mr. and Mrs. Orville Hartford of 46550 Geddes Road, Belleville, received his degree in business administration with an associate in architecture in 1972. He is now working as a

Stabnau-Larson wed at MSU Alumni Chapel

In an April 14 ceremony at Alumni Chapel, Michigan State University, Molly Marie Larson became the bride of Charles T. Stabnau. Both graduates of Michigan State, the newlyweds are now making their home at 1204 1/2 S. Washington, Lansing.

For the seven o'clock nuptials, the altar was appointed with two candelabras decorated with lavender, yellow and white mums which matched the center arrangement on the altar. Music for the nuptial rite was by Paula Gild who accompanied herself on the guitar as she sang "The Wedding Song."

The Rev. Robert Green presided at the double ring rite before some 150 assembled guests who later attended the reception held at Jon's of Lansing.

PARENTS OF the young couple are Mr. and Mrs. Robert Larson of 340 Washington, Marquette, and Mr. and Mrs. Roy Stabnau of 12054 Belleville Road, Belleville.

Given in marriage by her parents, Molly appeared in a traditional white gown of silk organza fashioned with a ruffled 'V' insert on the little fitted bodice. Other styling details included long, sheer sleeves ruffled at the cuff and a double flounce at the hemline, both traced with lavender ribbon to match that used on the bodice.

Mother honored on 80th birthday

On Sunday, April 15 approximately 43 children, grandchildren, great grandchildren and friends of Mr. and Mrs. John S. Crosby of Dora St. gathered at the Belleville Moose Lodge Home on E. Huron River Dr. to help Mrs. Arletta Crosby celebrate her 80th birthday.

A pot luck dinner was served. Easter basket decorations were made for all who attended by Mrs. Mildred Hawley of Belleville, a sister of the honoree.

Guests were present from Laceyville, Pennsylvania; Allen Park, Melvindale, Rochester, Plymouth, and Belleville.

A family picture was taken which included Mr. and Mrs. Crosby and their seven children, Mrs. Arthur (Mildred) Tyrrell of Melvindale, Mrs. Norman (Eleanor) Laird of Laceyville, Pa., Mrs. Florence Morin of Rochester, Mrs. Howard (Elsie) Parry, John and George of Belleville, and Ted of Plymouth.

In February of this year Mr. and Mrs. Crosby celebrated their 64th wedding anniversary at the same place.

George Crosby wrote the following poem for his mother's birthday:

My Mother

MOTHER is a Lady, given in God's grace.
She never seems to let up, regardless the pace.
She waits on Dad, both hand and foot.
She never forgets, she is still our cook.

A Lady who has given birth to nine,
A Mother, I am happy to say is MINE.
Troubles for many are quite a lot.
But with her few kind words, they are soon forgot.

She reads the Bible, says many a prayer.
Hoping her family is not in despair.
She thinks of our family, not of herself.
Always so graceful, you'd think she's an ELF.

Her toils are hard, her thanks are few.
Without her strength, God knows what we would do.
She's Heaven's own light, which so brightly shines.
And thank God she's still with us, a dream so divine.

A Mother, this lady I call mine.

She wore a chapel-length illusion veil bordered with lace trim and carried cascading carnations, stephanotis and lavender statice.

Maid of honor was the bridegroom's sister, Cathy Stabnau, who donned a long-sleeved lavender knit dress accented with white lace on the 'V' bodice and again on the cuffs. Her picture hat was in matching lavender and her cascade bouquet contained lavender and white mums and carnations.

ATTENDANTS in identical ensembles were Jean Bailey of Livingston, New Jersey and Mrs. David Kitsmiller of Haslett, Michigan.

Best man was Tim DeRosa of Lansing and groomsmen included Jeff Stabnau, cousin of the bridegroom from Belleville; Dana Crawford of Ann Arbor; Craig Stabnau, another cousin from Fairborn, Ohio; Jess Larson, brother of the bride from Lansing; and Dave Kitsmiller of Haslett.

Mrs. Larson selected for her daughter's wedding a formal gown in floral chiffon with white shoes and handbag. Mrs. Stabnau, the bridegroom's mother, was gowned in a purple dress with companion jacket and matching shoes and purse. Both were presented with orchid corsages.

Among those attending the wedding and reception was the bridegroom's grandmother, Mrs. Catherine Krebs of Belleville, who wore a blue and white coat-dress ensemble with matching accessories. She was honored with a corsage of gardenias. A honeymoon in the Caribbean Islands is being planned for late summer.

Molly, who is currently employed as a sales person for Day Realty in Lansing, earned her BA degree in secondary English education. Charles holds a BS degree in social science and is employed by Fidelity Union Life Insurance in East Lansing.

Reservations for 20 were made at the Albert Pick Motor Inn at East Lansing for the rehearsal dinner Friday evening hosted by the Roy Stabnaus.

MISS MALINOWSKI

May 18 is nuptial date

A May 18 wedding at Guardian Angel Church in Clawson is being planned by Debra Ann Malinowski and Sergeant Steven Larry Bentley.

Their engagement and nuptial date are announced by the bride-elect's parents, Mr. and Mrs. Harry Malinowski of 1514 Bauman, Royal Oak.

Miss Malinowski, who resides at 7226 Middlepointe, Dearborn, is a 1971 graduate of the Detroit Business Institute and is now employed by Blue Shield in Detroit.

Her fiancé, son of Mr. and Mrs. John M. Bentley of 9547 Norton Taylor Road, Belleville, was graduated from Belleville High School in 1967 and is currently serving with the U.S. Army in Karlsruhe, Germany. A member of the armed forces since 1967, he is a veteran of the Vietnam conflict.

MRS. WALTER LEE MORRELL

Morrell-Hustyi wed Whittaker church is wedding site

St. Joseph's Catholic Church in Whittaker was the setting March 24 for the double ring ceremony at which Christine Hustyi and Walter Lee Morrell exchanged nuptial vows.

The Rev. Darius W. Wyszynski presided at the five o'clock nuptial rite which united the daughter of Mr. and Mrs. Louis Hustyi of 9834 Talladay Road, Willis, and the son of Mr. and Mrs. Le Roy Morrell of 20367 Sherwood Road, Belleville.

Presented in marriage by her mother and father, Chris appeared in a toe-touching creation of Spanish lace and crepe. The lace empire bodice was styled with a high, scalloped neckline and wristpoint sleeves, the lifted waistline being traced with white satin ribbon.

Her floor-length mantilla veil, bordered with Spanish lace medallions, was held by a lace pillbox. Completing her bridal finery was a cascade bouquet of pink and white carnations, white roses and daisies, German statice, and baby's breath.

CAROL KOVALAK of Willis served as her sister's honor attendant in a floor-length frock of cranberry velvet with harmonizing accessories.

Bridesmaids in rose-colored velvet ensembles were Nora Allen and a cousin, Jenny Du Foor, both of Detroit, and Louise Hinzmann, a sister from Las Vegas, Nevada.

The bridegroom asked his cousin, Russell A. Morrell of Plymouth, to serve as his best man. Ushers were Lewis Hustyi of Willis, the bride's brother; Henry Du Foor of Detroit, her cousin; and David Walden of Belleville.

AT THE RECEPTION which followed in the P.N.A. Hall, Belleville, Mrs. Hustyi greeted the 375 guests in a

formal gown of aqua silk crepe with beaded trim. Her corsage was comprised of white carnations and pink rosebuds. Mrs. Morrell chose for her son's wedding a floor-length gown of pink silk crepe accented with beading. A corsage of white carnations and red rosebuds was pinned at the shoulder.

The newlyweds, both graduates of Lincoln High School, are now making their home at 519 N. Harris Road, Ypsilanti.

The new Mrs. Morrell is currently employed at Ypsilanti State Hospital and her husband is with Squires Manufacturing, Inc., Milan.

The Le Roy Morrells played host at the rehearsal dinner Friday evening at Perkins Steak House in Ypsilanti.

Senior Supplement on sale at Romulus

By SUE MORRIS

Students, especially seniors, won't want to miss out on this year's Senior Supplement. The Supplement, printed by the Flight staff, is on sale this week during both lunch hours. It will contain Senior Wills, the top 10 academic scholars, all the class favorites, and loads of pictures! The cost is \$1.25 and must be paid in advance.

During first lunch hour students are asked to contact Ann Claxton, Lou Ann McNutt, or Tom Madej. Place your orders with Alicia Arzadon or Sheila Coughlin during second lunch hour.

Workshops have begun this week for all

girls interested in trying out for cheerleading. Practices are for Reserve and Varsity hopefuls only.

Back by popular demand: "Finian's Rainbow" will be presented Friday evening at 7:30 in the high school auditorium. Tickets are \$1 and may be purchased at the ticket booth during lunch hours or at the door.

Freshmen are reminded that petitions for next year's class officers must be turned in by this Friday. Elections will be held Tuesday, May 15.

46 evening, summer courses announced

Two summer sessions and one evening session will be offered in 46 different courses by Mercy College of Detroit.

For further information persons may call the Admissions Office at 531-7820. Ext. 286.

French, Spanish slated for parents, children

A new dimension in the Children's Spanish and French program will be achieved by introducing separate parents' courses to be held simultaneously with the children's lessons at Mercy College of Detroit.

"Although this course has been designed at the request of parents in the current children's program, any adult interested in language may enroll," said Dr. Alma Flor Ada of the foreign language department.

"Through filmstrips, tapes, and records this unique program offers parents and children the opportunity to move about freely in a foreign culture and learn to think,

speaking, and even sing in Spanish or French," she continued.

Registration is open now through May 14 for classes beginning May 14 through June 16.

Classes will be held twice a week in the late afternoon and

(or) Saturday mornings with the possibility of flexible scheduling to meet the various needs of participants.

There is a \$5 registration fee per family and \$20 tuition fee per person. For further information call Mercy College at 531-7820. Mercy is located at 8200 West Outer Drive at Southfield.

UNIQUE CHURCH SERVICE — Members of the congregation of Grace Baptist Church in Belleville will hold an unusual church service — an enactment of services such as were conducted by John Wesley 100 years ago. A

typical scene of the May 20 services at the church is portrayed by the Rev. Bruce Thum (standing) Chuck Verness, Jim Benson, Kathy Benson, Pam Thum and Mrs. Bruce Thum. The services begin at 10:30 a.m.

Circuit-riding preacher portrayal slated May 20

The Grace Baptist Church located on Roys Street, Belleville, will hold an unusual service which will portray services similar to those John Wesley conducted in the days of the circuit riding preacher. This service will be conducted at 10:30 a.m. Sunday, May 20 at the church.

Lanterns will light up the church and bales of hay, wagon wheels and choir dressed in old-fashioned clothes will give atmosphere to the platform. Pastor William Gram and Rev. Bruce Thum will be dressed like John Wesley and the circuit riding preacher, respectively.

A class meeting will be conducted like John Wesley had 100 years ago. Mrs. Ruth Thum will act out the song, "The Circuit Riding Preacher," and other music will be provided by the Grace Baptist Church Quartet.

Special colored lighting effects including "black light" will be arranged by Chuck Verness.

After the service, a free dinner will be provided in the church gymnasium for all that attend.

Paper drive slated May 19

The senior high school members of the Methodist Youth Fellowship of the First United Methodist Church in Belleville are holding a paper drive on Saturday, May 19.

Papers can be brought to the church or call 699-2215 for pickups between 8 a.m. and noon.

Proceeds of the paper drive will be used to decorate the Youth Room at the church.

Mother-daughter event set

A mother-daughter banquet will be held at Romulus Wesleyan Church, 37300 Goddard Rd., starting at 6 p.m. tomorrow.

The Wesleyan Men's Fellowship Group, under the guidance of Scott Dearing, president, of Belleville, will not only assume the entire cost of the meal, but will also prepare and serve the mothers and daughters from the congregation.

Following the banquet, the speaker will be Mrs. John Baker, wife of the Rev. John Baker of the Westland Free Methodist Church.

Methodist church sets dedication ceremonies

The congregation of First United Methodist Church, Belleville, will dedicate the sanctuary and church school at 4:30 p.m. Sunday, May 13.

Bishop Dwight E. Loder, the congregation's resident bishop, will dedicate the buildings and give the principal address.

Participating in the dedication ceremonies will be District Supt. Dr. Robert P. Ward and the Rev. J. Charles Dibley, pastor.

THE CORNERSTONES at the sanctuary and school

buildings were laid in 1958 and 1963 respectively. The mortgages were burned on April 1, of this year.

Dr. Ward will preach at the 10:30 a.m. worship service the day of dedication.

The Women's Society of Christian Service (WSCS) will entertain following the dedication services in Fellowship Hall adjacent to the church.

There will be displays and two pictorial showings of the history and actual building of the church properties.

BISHOP DWIGHT E. LODER

Potluck dinner planned tonight

The First United Methodist Church in Belleville will hold a family potluck dinner at 6:30 p.m. tonight at the church.

The event will be held in connection with the observance of National Family Week (May 6-12).

Persons wishing to attend the family potluck dinner are asked to take a meat dish and one other dish. For further information call 697-8309.

Assembly of God Church building plans told

The continual growth of the Belleville Assembly of God congregation makes it necessary to build a larger sanctuary and adequate classroom facilities, Pastor David E. Pace, has announced.

The present location has hampered expansion, which has caused curtailment of several programs.

"The spiritual and financial

successes of the last two years, however, have not been curtailed, and this reflects a willingness of our congregation to work," said Pastor Pace.

PRESENT FACILITIES are designed to accommodate 75 people. In 1972, the Sunday School average was 93 and had a record high of 126. Attendance at Sunday School worship services averaged

over 105 persons.

These limited facilities made it necessary to use the home-style building behind the sanctuary for Sunday School classrooms and Junior Church services. Pastor Pace stated and added "This separation of the two buildings is not conducive for fellowship, Christian education and worship services."

The present church building is free of debt. The location is in a prime commercial area for it is located less than one-fourth mile from the planned cloverleaf of the I-94 Expressway and Belleville Road.

"WE ARE endeavoring to sell our existing church for the amount of \$50,000, and with the proceeds to apply toward the construction of a new edifice. With additional

borrowed funds from the bank, we then will be able to construct our new House of Worship," Pastor Pace said.

In June, 1971, the church administration acquired about nine acres of land located on Savage Road, where the new church and educational buildings will be built. The property is valued at \$20,000 and which will be paid in full before June of this year.

Convert garage to family room

A young couple from Arlington Heights, Illinois, needed a family room desperately, but did not have the funds for an addition.

Necessity being the mother of invention, this husband and wife team decided to convert the two-car garage into a family room which could be used for at least eight months of the year without any expensive alterations — it could be used even longer in a more southerly location.

This family created a family room which could easily be duplicated.

THE YOUNG couple started by applying hardboard lap siding to one wall, and painted it a warm cedar red, and white hardboard panels to two contrasting walls.

Boards applied in a tudor effect hide the seams. The garage door was camouflaged by brightly striped enamel in parrot

green, oyster white, and sunny yellow.

Low cost linoleum was taped to the concrete floor which had first been cleaned with one of the new cement cleaning compounds.

The linoleum rolls up to be stored in the basement or attic during the coldest months.

A gaily striped awning fabric makes an attractive tent canopy over the side door. Anyone with a sewing machine and a heavy duty needle designed for leather can achieve this effect; best thread to use would be heavy duty carpet or button.

IN THIS family room, a combination of campaign chests, stacking cubes, desks and semanters are used in white, blue, yellow and green — the four basic colors found in the striped awning material.

In a view of the completed room, a lucky totem pole greets guests as they come

through the tented entrance.

To the right of the entrance, two 30-inch white chests are joined to make an attractive storage area for family games, while serving as a television and lamp table, too.

The electric fireplace is easily installed and warms the comfortable conversation area on chilly Chicago-land evenings. The easy-care white vinyl sofa is sparked with cushions covered in a wider-striped version of the tented entrance material.

FOR CONTRAST, and an eclectic effect, arrowback side chairs stand ready for games and cards at any time. A tiffany lamp fixture in the wall's warm red and white is attached to the same ceiling wiring which formerly held a bare bulb.

Open-ended, with one shelf, colorful cubes are used as cocktail and end tables.

A GARAGE! — From a two-car garage to an attractive family room which can be used eight months of the year in this area, without costly alterations.

Check insurance before its too late

Spring and warmer weather — the chance to get out and see people — also means large household gatherings, good talk, good food and a friendly drink or two.

Sound like fun? Beware of the dangers of house parties and be aware of your liability exposures, warns the Insurance Information Institute. If one of your guests is injured, you might face a suit and possibly a whopping damage award.

Indoor parties with throw-rug covered floors and patio or backyard get-togethers with pets left on the prowl present danger. The amount of alcohol consumed by your guests may magnify these problems.

IF YOU OWN one of the nation's 65 million domestic dogs and cats, it's not difficult to imagine one of your guests being bitten or scratched.

To make matters worse, "Tom Collins" and good old "Bloody Mary" have a way of convincing a guest that he is an animal's best friend or an acrobat capable of intricate stunts.

The point is, if a guest is injured in your home and you are found responsible, you may be required to make him "whole" again — that is pay for his injuries, replace any lost income and compensate him for his pain and suffering.

The homeowners insurance policy — also available to persons renting apartments — provides insurance protection for the homeowner or tenant who is found legally liable for a person's injuries or damage to his property.

In addition to paying damage awards up to the limits provided in a policy (usually \$25,000), the policy provides the homeowner's legal defense if he is sued. Also, the policy pays an injured person's medical bills, usually up to \$500 or \$1,000, regardless of who was at fault for the injury.

IT SHOULD be noted that the homeowners and tenants policies do not provide coverage for claims arising

from a party conducted solely for business reasons, the Institute said.

In other words: —your boss present at your fourth of July barbecue would present no problem, but

—the presence of your boss and the board of directors of a client or prospective client could lead to some discussion with your insurance company as to the intent of the party.

Above all, says the Institute, if you are a frequent party giver, observe these simple rules:

—Lock up or restrain all pets before the party starts. Don't find yourself saying, "he's usually a friendly dog" to a badly bitten ex-friend as he phones his lawyer.

—Always provide good food — and plenty of it — at a party. Alcohol on an empty stomach, or mixed with spicy hors d'oeuvres is simply asking for trouble.

A NON-DRINKING bartender can be helpful. He can at least try to discourage overzealous drinkers or at least water down their drinks as the party wears along.

Make the last part of the evening a dance contest, a card or word game — any form of entertainment which can lengthen the time between "one for the road" and the actual key in the ignition.

'Garden party'

Pool and garden parties, patio dinners and those traditional family barbecues are the order of the day. No decorations are more appropriate than fresh flowers and green plants.

To set off floral designs with a summer flavor and seasonal informality, experts note that imagination in the use of containers can keynote that sought-after look.

They suggest the rough textures of straw and wicker as perfect foils for summer designs as well as clay pots in natural, earthy colors.

Develop good fuel habits

The homeowner who knows how to keep his heating costs in line may actually be practicing good citizenship.

The U.S. Office of Consumer Affairs, (OCA) in its publication, "Consumer News," warns that serious shortages of fuel and energy could lead to drastic conservation measures including factory shutdowns and restriction of fuel hookups in new homes.

Oil and natural gas supplies could fall especially low in areas of the country that

use heavy supplies of these resources in cold weather.

OCA recommends that citizens help forestall such measures — and save money at the same time — by developing good fuel conservation habits.

AMONG THEM:

—Regulating heating systems at the lowest acceptable setting (even only two or three degrees lower than usual) and maintaining a steady temperature level.

—Reducing use of electricity during the late afternoon and early evening, so that power companies can conserve fuel needed to generate electricity.

—Turning off heat in unused rooms.

—Making sure that heating equipment is in good operating order.

—Improving insulation in attics, and around doors and windows.

WHILE SUCH measures may seem minimal in combating a critical country-wide problem, they are, in fact, basic — and effective — fuel conservation measures. Window insulation is a good example.

Some windows, such as ponderosa pine units with factory-applied weatherstripping and insulating glass, are "natural" insulators.

Wood sash does not transmit heat. Aluminum and steel sash transmit heat

readily — a phenomenal 1,770 times faster than wood does.)

Efficient weatherstripping seals out air infiltration. Insulating glass provides effective double-glazing provides effective double-glazing without the need for bothersome storm sash.

TOGETHER these qualities provide maximum protection against heat loss and high fuel bills. As a bonus for homeowners, they also guard against messy condensation.

Engineering studies testify to wood windows' insulating qualities:

—When wood and metal sash windows of the same size were exposed to outdoor temperatures of 20 degrees, the inside of the wood sash registered 59 degrees. The inside of the metal sash dropped to 32 degrees.

—Wood windows with 80 per cent glass areas lost 22 per cent less heat than metal sash windows of the same size.

—Use of weatherstripping in wood sash windows can cut heating costs by up to 24 per cent for an average five-room house.

—Weatherstripped wood windows with insulating glass stay free of condensation at 30 degrees below zero. Condensation will form on metal sash windows in temperatures of 20 above.

Romulus personals

Many took spring vacations

ROMULUS PERSONALS
By Pearl Morris
Phone WH-1-1187

John Stanek of Romulus recently returned from a raft trip down the Colorado River with 32 other students from his

geology class at Western Michigan University. The group spent 10 days on the trip. John, a senior student at "Western," is the son of Mr. and Mrs. John Stanek, Sr. of Pennsylvania Road.

The United Methodist Women are in search of items for their spring rummage sale. This is a good chance for men and women to clean their closets and garages! Items of all kinds can be brought to the church Monday through Thursday during regular office hours.

The women of the church are sponsoring the sale three days: Thursday, May 17, noon to 4 p.m.; Friday May 18, 9 a.m. to 4 p.m.; and Saturday, May 19, 9 a.m. to noon. The event will be held in the basement of the Community Methodist Church on Olive Street, and will include a bake sale Thursday.

A mother and daughter banquet will be held at Calvary Baptist Church on Ozga Road Friday, May 11, starting at 6:30 p.m. A delicious dinner and appropriate program are being planned for the occasion and all mothers and daughters are cordially invited.

The Junior Department children of the Sunday School at the Calvary Baptist Church, Ozga Road, enjoyed an Easter Egg Hunt at the local Lower Huron Metropolitan Park on Saturday, April 21, from 10:30 a.m. to 2:30 p.m. Games and hot dogs completed the happy outing for the youngsters.

Teachers and students from the Gordonier School have been busily preparing the past several weeks for their Annual Science Fair which will be held Friday, May 11, at the school on Smith Road.

Each room will be represented with a science display made by the youngsters with the assistance of their teachers. The fair will be open all day for the students and especially for their parents in the evening. Everyone is cordially invited to attend.

Mr. and Mrs. Fred W. Hay and daughter, Carla, and Miss Pearl Morris, all of Huron River Drive South, spent an enjoyable eight-day vacation in sunny southern Spain, on the Mediterranean. Highlights of their sightseeing were a hydrofoil boat trip across the Straits of Gibraltar, past the Rock of Gibraltar, to Africa where they spent the day sightseeing and shopping in the market place and eating a typical African lunch in one of the better restaurants. Also, a mountain trip to Grenada, Spain, where they visited an old Moorish fort and restored castle, and stood in the same room Christopher Columbus stood when Queen Isabella granted him funds for his boat trip to the new world. The foursome flew home April 30 after a day flight delay.

Miss Kathy Hood, daughter of Mrs. Dodie Kimberlain of Aston Street, spent about eight days at Easter time vacationing in Florida with three other girls from Western Michigan University. The girls enjoyed "beaching" in the resort area, did some sightseeing and also visited a few relatives. Kathy is now attending the spring term at "Western" where she is beginning her Junior year.

On Sunday morning, May 13, the Men's Club will hold its monthly breakfast meeting in the basement of Community United Methodist Church on Olive Street. The time is 7:30 a.m.

Scouts to sell first aid kits

Cub Scout Pack 793 of Belleville has initiated a sales program involving first aid kits which sell for \$2 each and may be purchased from pack members.

Announcement of the sale, acceptance of these adult members to the cub pack committee and presentation of awards were made at the recent pack meeting held at St. Anthony's Catholic Parish in Belleville, pack sponsors.

Mrs. Julia Stamper, Douglas Traskos, Sr. and Larry Fleeman were all signed on as new members of the committee. Mrs. Carol Brehmer's den, entertained the parents and pack members with a home made western film which was filmed, written and acted by the cubs in her den.

THE BOY SCOUTS had their Scoutmaster Harold Innes on hand to welcome into the Boy Scout Troop Steve Kandler.

One-year pins were presented to John Clift, Greg Elliott, Walter Gierucki, John Morris, Daniel Lorbek, Todd Brehmer, Chris Larcene and Frank Lemanski. Two-year pins were given to Jeff Collins, Leo Lentz, Don Swinson and Steve Kandler.

Other awards presented at the recent pack meeting are as follows:
Sean Brehmer, wolf badge and gold arrow; Larry Fleeman, two silver arrows under wolf; Dennis Stamper, one silver arrow under wolf; Walter Dunayczan, three silver arrows under Wolf; Frank Lemanski, one gold arrow under wolf; Paul Innes, one silver arrow under wolf; and Chris Larcene, one silver

arrow under wolf.

Richard Whitmer, Walter Lentz, Haily Jansen and Walter Clay all earned recruiter badges for bringing in new boys. Two of these new boys, Jimmy Murray and Kevin Carnahan joined the pack and received their bobcat badges.

In the Webelo's Den, Leo Lentz received his athlete, sportsman and craftsman pins; Paul Summers his craftsman and sportsman; Jeff Collins his craftsman; Barry Knight, craftsman; Donald Swinson his sportsman and craftsman; Steven Kandler his athlete, sportsman, craftsman and last but not least, John Moriarty his athlete and craftsman.

The Webelo's Den welcomed a new Den Chief, Rand McNally and they have been busy with Randy and Don Swinson building a new Webelos bridge to be used in their ceremonies. Daniel Lorbek and Chris Larcene were the first ones to try it out as they crossed the bridge from their respective dens and went over to the Webelo's Den.

Ray J. O'Neil, district chairman, was on hand to present an appeal for Scout Family Enrollment contributions.

The pack presented an outline of the outings planned for the summer which include Project SOAR, Expo '73, Memorial Day parade and a pack picnic.

Den five was presented with the attendance award for the meeting and acknowledged for the candy-filled rabbits sent to the Wayne County General Hospital as an Easter project.

Robertson attends housing conference

Ben R. Robertson, community developer coordinator for Van Buren Township, was among more than 100 persons who attended a one-day conference titled "What's Ahead in Housing Now," at the University of Michigan in Ann Arbor.

The conference was sponsored by the National Association of Building Manufacturers, Michigan Department of Commerce, Office of Economic Expansion, and the University of Michigan's Institute of Science and Technology, Industrial Development Division in cooperation with the University of Michigan Extension Service.

Purpose of the conference was to bring together leaders from industry, government and education to examine current developments and future opportunities in marketing, financing (without subsidy) and codes.

Conference discussions explored a range of topics, relevant to builders, developers, planners, architects, suppliers realtors and government officials.

The conference featured three concurrent sessions focused on the topics marketing, land use-zoning, building codes and financing.

The luncheon speaker for the conference was Stanley

Edge, president of the Housing Guidance Council, Washington, D.C.

Michigan asparagus soon to be marketed

Asparagus, Michigan's earliest spring vegetable crop, will soon be on the market. The straight green spears are emerging through the sandy loam soils, primarily in Berrien, Van Buren, Oceana and Allegan counties.

Michigan ranks third nationally in asparagus production. Last year, 10,900 tons of the crisp tender vegetable, grown on 14,500 acres of farmland, were worth nearly \$6 million, according to the Michigan Department of Agriculture.

Most of Michigan's asparagus is sold to processors for canning and freezing; only about six percent is sold fresh. Much of the crop is harvested by hand but extensive efforts are being made to mechanize. Har-

vesting generally ends by the last of June.

When buying fresh asparagus, look for closed, compact tips and smooth green spears. Wash the vegetable thoroughly. The stalks may be scrubbed gently with a vegetable brush.

To cook whole fresh asparagus, tie the stalks into a bundle with a band of foil and stand upright in about one inch of boiling salted water in a deep pan. Cover the pan and cook until the stalks are just tender when pierced with a fork. Cooking time is usually about 10 to 20 minutes.

There are many tempting ways to serve this vegetable. Try pouring a lemon-butter sauce or a hollandaise sauce over hot asparagus.

Special medallions to mark Ypsilanti Sesquicentennial

YPSILANTI, MICH.—Special commemorative medallions struck for the Ypsilanti Sesquicentennial year will go on sale this month.

The medallions, in high relief and approximately the size of a silver dollar, are being struck in sterling silver and in antique bronze. All pieces will be individually numbered, from 1 through 200 for the silver and 1 through 3,000 for the bronze.

James K. Baker of Ypsilanti, a member of the Sesquicentennial Celebration Committee, designed the medallion. The silver pieces are \$15 each; the bronze ones, \$3 each.

THE FACE OF THE PIECE features the busts of Demetrius Ypsilanti, the Greek revolutionary hero after whom the community is named, and Benjamin Woodruff, who in 1823 settled Woodruff's Grove, the settlement renamed Ypsilanti a few years later. The number "150" in honor of the community's 150th anniversary is also on the face, along with the individual serial number.

On the reverse side are the dates of the major Sesquicentennial celebration, June 30, through July 8, and the Ypsilanti area's most prominent landmark, a tall stone water tower adjacent to the Eastern Michigan University campus.

The Sesquicentennial pieces designer Baker said, will be valued not only as souvenirs but will be prized by collectors as well, especially because they are individually numbered.

SALE OF THE "commemoratives" is scheduled to begin about May 16 from the Sesquicentennial headquarters at 130 N. Huron St., Ypsilanti, Mich., 48197. All but 15 of the initial order of 200 silver coins will be on sale. More silver pieces may be struck later, but a maximum of only 500 will be produced.

Silver and bronze medallions numbered 1 through 10 and 18, 23, 19, 73 and 150 will be reserved for sale at an auction during the 9-day Sesquicentennial celebration.

The bronze pieces numbered 1823 and 1973 will also be sold at the auction.

Baker said the pieces can be ordered through the Sesquicentennial headquarters, where bids may also be made for the medallions to be sold at the auction.

Further information can be obtained by calling the headquarters, 313 HU 7-5626.

Homeowners to install

Installation of the newly elected officers and directors of the United Homeowners of Sumpter Township will be held at the May 21 meeting of the association.

In last week's issue it was inadvertently reported that the installation was to be held on May 28.

Tax refunds take 10 weeks

Wondering why you haven't received your federal income tax refund?

If you are entitled to one, wait 10 weeks after filing before writing the Internal Revenue Service, Thomas A. Cardoza, district director of the IRS for Michigan, said. By then, you should have either a check or a letter explaining the delay.

Because the Cincinnati Service Center, which serves Michigan taxpayers, handles millions of returns every filing season, it is practically impossible to locate a particular return to answer any question until processing cycles are complete.

If you do need to write, indicate in your letter when and where you filed your return, and give your name, address, and Social Security number.

Pack 821 announces awards

Cub Scout Pack 821 sponsored by the Haggerty Elementary School, Belleville, held a "Cake Walk" at the April pack meeting, which was held at the school.

The cakes were baked by the scouts and their fathers. The winners proved to be John Enzenauer of the Webelos, first prize; Roger VanCleave, Jr. of Den 1, second; Billy VanCleave, Webelos, third; and Billy Dennison of Den 5, fourth. The prize ribbons were made and donated by Mrs. Baba VanCleave.

Cubmaster Robert T. Crooi gave out the following awards:

Charles Patterson, bear book; Danny McManus, bear book; Jeffery Nemeth, dinner; John Callahan, assistant dinner; Tommy Steiger, assistant dinner; Brian McClinton, bear book; Steve Koss, bear book; Roger VanCleave, Jr., silver arrow; John Enzenauer, dinner, showman, traveler; Lawrence Colbert, Webelos book, bob cat pin; Ron Traskos, assistant dinner, one-year service pin; Larry Wilson, bob cat pin; Norman VanCleave, forester, scientist; Larry Baxter, scientist, showman.

Norman VanCleave and Larry Baxter have earned all of their 15 awards in Webelos, plus the arrow of light which is the highest award a cub scout can earn before going into boy scouts. Also this is the only award he can continue to wear on his boy scout uniform. Norman and Larry were accepted into Boy Scout Troop 821 by John Bettridge, scout leader.

The parents attendance award was won by Den One with Mrs. Pat VanCleave.

Highway bids sought

Bids will be taken here May 16 on highway construction and maintenance projects, costing an estimated \$5.63 million, in the Livonia-Westland-Romulus area, Sen. William Faust, D-Westland, has announced.

The largest project is for the widening of a 1.5 mile portion of the I-94 to a six-lane divided freeway between Morton-Taylor Road and Haggerty Road just east of Romulus. The project is expected to be

completed by May, 1975 at a cost of an estimated \$4.33 million and is to include construction of a bridge carrying Haggerty Road over the I-94, grading, drainage structures and paving.

Bids will also be taken on a project necessary to prepare the roadbed for the future I-275, presently under construction, which will extend from the I-75 near Newport to the I-96 in Livonia. Plans for the roadbed

preparation call for the clearing, grubbing, earthwork, grading and installation of drainage structures over a five and one-half mile stretch of land from

a point near Huron River Drive north to the C&O Railroad in Romulus. The project is expected to cost \$880,000 and be completed by December, 1974.

Hayti School Fair slated for May 12

The annual Hayti School Fair has been scheduled for May 12 from noon to 5 p.m. at the school, 30155 Beverly Rd., Romulus.

According to Mrs. Sue Lyle, chairman of the event, White Elephant and other donations are still needed and should be sent to the school as soon as

possible. Movies will be shown after school on May 10 with the admission price set at one can of food per child. Popcorn will be sold at 10 cents per bag at the show.

Kiwanis Club flower sale result \$721

The 1973 Easter Flower Sale held under the sponsorship of the Belleville Kiwanis Club was a reported "success."

The annual sale was held on Thursday, Friday and Saturday of last week at the intersection of Roys and Main streets, Belleville.

Bill Mathews, chairman of this year's Easter Flower Sale, said that sale proceeds amounted to \$721 and that club members were all sold out of Easter flowers by noon Saturday.

Members of the Belleville Senior Citizens Club assisted in the sale campaign.

Proceeds of the sale are placed in the contribution fund of the Belleville Kiwanis Club to be used for various charitable projects sponsored by the club.

Don't call me, I'll call you

Telephoning in Detroit will gain a personal touch this week with the introduction of The Name Caller—the automatic telephone dialing appliance which permits personal calling at the touch of a button.

The Name Caller is the newest in automatic telephone equipment, manufactured by Macom Products Corporation, Torrance. It stores up to 38 frequently-called phone numbers and permits the user to call any of them without touching the dial.

Users have instant access to those telephone numbers they find most important, most used or most difficult to remember, without having to look them up.

THE NAME CALLER utilizes a newly developed electronic sensor and memory inside the unit. The owner simply marks desired numbers on the tape and enters the corresponding names in spaces on the right. When a name is chosen with the selector switch and a button pushed, The Name Caller automatically dials the

number—flawlessly. The device connects to any phone and does not interfere with normal operation. Unprogrammed numbers can be dialed as usual. Changes in programmed numbers can be made quickly by erasing and new numbers added when desired.

"Since its introduction last year," says Leonard Mayem, executive vice president of Macom, "The Name Caller has had tremendous consumer acceptance. Purchasers have

told us that they find The Name Caller the most used—and most useful—appliance in their homes and offices."

AT \$59.95, the home single-line model alleviates the worry of lost phone numbers or dialing a wrong number in

an emergency. Both children and adults can call police and fire departments, as well as the family doctor or next door neighbor, without having to waste time looking up numbers.

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

Mother's Day!...A dedicated day of honor...A day for customary white, pink or red carnations...A day that binds in common cause all classes and creeds, rich and poor — man, woman and child...A day in which we recognize the wonderment of motherhood...A day in which mankind realizes there is no prerogative in the phenomena and sanctity of a "one-of-a-kind" possession, for everyone has or had a mother...A day to respect and remember her...A day to inventory your spiritual assets, to renew your memories of her kindness, patience, sacrifices — and — her tears...A day of gifts for her if she is here...A day of thankful remembrance if she is not here...A day of reflection and sweet recollection...A day to realize that with adult development, we may think we need her less and less — but — in her aging, she needs our love and respect more and more... For all mothers and families everywhere, we hope you have a truly happy Mother's Day...

Gardens open on weekends

BLOOMFIELD HILLS—In celebration of blooming daffodils and warmer weather the gardens and nature trails of Cranbrook are now open to the general public on weekends. Hours are 1 to 5 p.m.

Open to the public are 50 acres of lake-rimmed forest trails and formal gardens in rolling terrain dotted with sculptures by Carl Milles and other artists.

The program for visitors is conducted by the Cranbrook Gardens Auxiliary, comprised of individuals and area garden clubs who help support and maintain the gardens.

IN ADDITION to the weekend program, when group visits with or without guides may be requested, group visits also may be arranged for weekdays by telephoning 644-1600, ext. 203.

Admission to the gardens and grounds of Cranbrook is 50 cents. This fee can be applied to admission to Cranbrook Institute of Science or Cranbrook Academy of Art Galleries, both located on the

Cranbrook grounds. The Institute of Science is open 10 a.m. to 5 p.m. weekdays, 7 to 10 p.m. Thursdays and 1 to 5 p.m. weekends. The Galleries are open 1 to 5 p.m. daily except Mondays.

Admission to the Institute of Science is \$1.50 for adults and 75 cents for full-time students and senior citizens. (This includes planetarium and observatory admission.) Admission to the Galleries is 75 cents for adults and 50 cents for students in kindergarten through college.

Entrance to Cranbrook is at 500 Lone Pine Rd. and 380 Lone Pine Rd. across from Christ Church Cranbrook. The latter gate is attended by volunteers from the Gardens Auxiliary.

Belleville High School students will present the Broadway musical, "Mame," at 8 p.m. Thursday, Friday and Saturday. There will also be a 2 p.m. Saturday matinee. There is a cast of 25 actors and 29 singers and dancers. Choir director Mrs. Louise Pitcher is directing the performance. "Mame" is the true life story of wealthy Mame Dennis (Brenda Gollwitzer), set in the Roaring 20s. Her carefree philosophy influences those around her, especially her young orphaned nephew Patrick (Paul Grabosky) and his nanny, Agnes Gooch (Cheryl Knight). Tickets are \$2 at the school auditorium lobby.

Choraliers tour college

The South Junior High School Choraliers (Belleville) had a busy recent spring vacation.

The singing group of 20

girls, under the direction of Mrs. JoAnn Pilcher, took a tour of the University of Michigan Music School.

Their program included

several folk songs like "Man of Constant Sorrow," "Fly Away," "Leaving on a Jet Plane" and "For Baby." The piano accompanist, Cheryl Claxton, played "Fur Elise" by Beethoven as well as accompanying the group in "America" from West Side Story.

Members of the choraliers are: Mary Baxter, Nancy Beagle, Kathy Berbee, Sherry Bloodworth, Sheila Bragg, Vicky Butler, Paula Caldwell and Kathy Crane.

Other members are Pat Flavel, JoAnn Gilbert, Mary LaRose, Michelle Phillips, Andrea Price, Vickie Sutton, Suzanne Walney, Lita White, Vickie White, Karen Zecman and Barb Carey.

Westland seeks volunteer talent

Volunteer talent is still being sought for the third annual Westland Spring Festival.

The festival schedule calls for continuous stage entertainment between noon and 10 p.m. May 26-28 at Jaycee Park.

Volunteers may contact Mrs. McKnight at 421-1517 after 7 p.m.

Fair Lane V programs set Friday, Saturday

A Detroit newspaperman, a poet-in-residence and several local authors will discuss the art of writing during the Creative Writing Segment of "Evenings at Fair Lane V" Friday, May 11 and Saturday, May 12 at 7:30 p.m. The historic estate of Henry and Clara Ford is located on the University of Michigan Dearborn campus.

Detroit News feature writer William Noble will kick-off the segment 8 p.m. Friday when he will talk about the freelance writer, his market and the process of gathering and organizing of information and ideas.

The second Friday segment will feature local authors in a "Meet the Author" session. Aspiring writers will have an opportunity to meet the authors and discuss manuscript preparation.

EIGHT of Dearborn's best creative writing students will open the Saturday night program.

The student segment is being coordinated by Mary Crowley, Director of Communicative Arts for Dearborn public schools.

Saturday night's creative writing program will conclude with special guest Dudley Randall, poet-in-residence at the University of Detroit.

Randall has received much acclaim for his works which include "For Malcolm" and "Poem, Counterpoem." He has edited "The Black Poets," "Black Poetry, Cities Burning" and "Love You" as well as founding the Broadside Press.

CHAIRING THE committee is Gretchen Ackerman, a trustee for the Community Arts Council.

"Evenings at Fair Lane V" will also include programs in arts and crafts, dance, music, creative film and drama.

Dearborn Arts and Crafts members Diana Kopecek and Tina Zegelen will demonstrate macrame, and Paul Gilbert will show how to stain leaded glass.

Prize-winning paintings by local artists will be on exhibit as well as wood assemblage, wrapped craft and abstract painting, by Leonora Orlowski; and clay sculpture

by Jeane Bonfiglio. Magician Walter Musial will perform Saturday afternoon. Committee coordinator is Jessie Katulski.

THE MUSICAL segment will begin on Friday with Cynthia Blough, mezzo soprano, singing "Gypsy Songs" by Dvorak and accompanied by Mary Partlow. Bach's "Triple Concerto in D Major" will be played.

The Henry Ford Community College Chorale will sing

several selections including "Greensleeves" and "O Vos Omnes." Madrigal singers, pianist Barbara Link, flutist Frances Shelly, pianist Joanne Warners and folk singer Dave Robinson will also be featured.

Saturday evening's musical presentations will include segments from Dearborn Civic Theatre productions.

SOPRANO Jutta Putzig, flutist Frances Shelly and pianist Cynthia Heinrich will

perform Schubert's "The Shepherd on the Rock."

Tickets for each evening are \$3 for adults and \$1.50 for students and may be purchased at Sally's Gift Shop in Westborn, The Little Professor Book Center, all branches of the Bank of Dearborn and at the door. Saturday afternoon tours of the Fair Lane estate will cost \$1 for adults and 50 cents for students.

Nine Metroparks open for public

The following facilities are open at nine Metroparks serving the citizens of Wayne, Macomb, Oakland, Livingston and Washtenaw.

Highways leading to these Metroparks and facilities are shown on a free Metropark Guide available by writing to the Huron-Clinton Metropolitan Authority, 600 Woodward Ave., Detroit, Mich. 48226 or phone 961-5865.

Metropolitan Beach along Lake St. Clair near Mount Clemens now offers boat launching, marinas, 18-hole "Par 3" golf course, shuffleboard and tennis courts, games area, play equipment in the tot lot and adjoining older children's area, boardwalk and food bar, with the outdoor roller skating rink expected to open in mid-May.

"Weather permitting," the bathhouse and lake swimming will be available later this month and the swimming pool is expected to open on Saturday, May 26. Park hours are 8 a.m. to dusk.

William P. Sherman, park superintendent, cautions boaters and marina users to observe speed limits on the Black Creek and to use safety precautions due to high water in the canals and along Lake St. Clair. Presently the Point Huron picnic area and marshy nature trail may have only limited use due to excessive water.

The 50-cent parking charge and 50-cent boat launching charge is now in effect until Sunday, Sept. 30.

Area residents may travel the I-94 (Edsel Ford) Freeway to Metropolitan Parkway in Macomb County and then proceed two miles east to the park entrance at Jefferson Avenue. For more details phone 963-3022 (Detroit Line) or HOWARD 3-4581 (Mount Clemens).

Kensington Metropark near Milford has miles of scenic highways and wooded, hilly countryside that surround beautiful Kent Lake, which is popular with fishermen and boaters. There are two ramps for boat launchings (with permits issued at the park office) and boat rental service starting Saturday, May 5.

Throughout the 4,300 acre regional park there are several large playfields and picnic areas, an 18-hole "Par 3" golf course with snacks offered at the food bar, self-guided nature trails for self-guided hikes, seasonal exhibits at the Nature Center and Canada Geese on Kingfisher Lagoon that always welcome a "Hand-out" from park visitors.

No swimming is permitted anywhere in the park until the beaches open and life-guards are on duty on Saturday, May 26. Park visitors are advised to observe the "No Swimming" rule and to use the proper safety procedures while boating. Water skiing is not permitted on Kent Lake.

Park hours are sunrise to 10 p.m. Kensington Metropark is located 30 miles from downtown Detroit, with two entrances along the I-96 (Grand River) Freeway between Milford and Brighton. For details phone 685-1561 (Milford).

Hudson Mills, Dexter-Huron and Delhi Metroparks, covering from 45 to 900 acres, are located along the Huron River from 7 to 12 miles northwest of Ann Arbor. Park facilities include paved roads and parking lots, water and sanitary facilities, several picnic areas and playfields, shelters, shore fishing and the Acorn Nature trail, which is labelled for self-guided hikes. The entrances to Delhi and Dexter-Huron parks are along

the Huron River Drive. Gary C. Bartsch, park manager, stated that canoeing is very popular along the Huron River. Many groups use the overnight campsite at Hudson Mills, with permits issued in advance at the park office. Persons should supply their own canoes or use private liveries in the area.

Like all HCMA Metroparks, no picnic reservations are available, however, large groups should register with the park office well in advance of the desired date. Park hours are 8 a.m. to 10 p.m. daily. For details contact Hudson Mills Metropark, 8801 N. Territorial Road, Dexter, Mich. 48130 (phone: 426-8211).

Lower Huron Metropark near Belleville has several picnic areas along the Huron River, a winding parkway, 18-hole "Par 3" golf course, tot lot with play equipment, nature trails labelled for self-guided hikes and a seasonal nature center open week-ends only in May.

George Giblin, park superintendent, advises persons to bring their own picnic supplies since food service will not open until Saturday, May 26, which is also the opening date for the swimming pool.

Lower Huron Metropark, covering 1,000 acres in Western Wayne county, is located 28 miles from downtown Detroit. The entrance is on Hannan Road via the Haggerty Road interchange along the I-94 (Edsel Ford) Freeway between Detroit Metropolitan Airport and Belleville.

Willow Metropark, the ninth HCMA park, is still under construction and continues to offer limited facilities this year. A portion of the 1,500 acre site provides a park road, comfort stations, picnic areas and wooded areas. No food service is available. Hours are sunrise to 10 p.m. The entrance is on Willow Road near the Village of Willow, between Waltz Road and Huron River Drive. For details phone 697-9181 (Belleville).

Unclaimed state lottery prizes total half million

Winning lottery tickets worth more than a half-million dollars for drawings between November and February remain unclaimed, lottery commissioner Gus Harrison said today.

"While we are receiving claims from past drawings every day," Harrison said, "nearly 10 per cent of the \$25 winners in our first 14 drawings (through Feb. 22) have not yet been processed. A total of 20,818 tickets worth \$25 each or a total of \$520,450 have not yet been claimed."

Tickets are good for one year after the drawing date in which they were winners, Harrison said, so those with winners in early drawings still have time to make a claim.

"Tickets which won \$25 are potentially worth \$1,000,000, since winners of \$25 qualify for a subsequent Millionaire Elimination Drawing after

they submit their claim," Harrison said.

The slowness of claims also delays the Millionaire Drawing, since an elimination and main drawing are held whenever exactly 120,000 claims for \$25 prizes are processed.

"There are some cases in which processing is delayed by administrative problems, but we are now fairly current in processing routine claims," Harrison said.

"Every week there are more than 20,000 winners of \$25 (at the current rate of sales) and we process more than 20,000 claims each week."

Listed below, for those who may have winning tickets and not know it, are the dates of previous drawings, the winning numbers and the number of winning unclaimed as of

United Negro College Fund chairman named

Jack Musick of Detroit, president of Hiram Walker Incorporated, has been named general chairman of the 1973 United Negro College Fund campaign for Michigan. The appointment was announced by Richard E. Cross, of Detroit, chairman of the Michigan executive committee.

Upon acceptance Musick said: "Michigan has long been a leader in raising record-breaking contributions to the United Negro College Fund. In 1973 we have been asked to raise \$800,000, the highest goal ever. If history repeats itself, we can once again look forward to success."

The United Negro College Fund is a federation of independent, accredited colleges and universities organized to seek financial support through an annual nationwide appeal.

For almost three decades the fund has raised more than \$131 million for its predominantly black institutions and has helped more than 250,000 students to acquire college degrees.

Funds raised through the United Negro College Fund benefit the more than 45,000 students who attend the 40 member-institutions located in 11 southern states and Ohio.

The money is applied to scholarship programs, faculty development, and the purchase of equipment.

Registration deadline set

The deadline for registering to vote in the annual school election in the Van Buren Public School District is 5 p.m. May 11, School Supt. Dale E. Kaulitz announced Monday. The school district electorate will vote June 11 to fill one four-year term on the board of education.

The term of board member Edward Bos expires in June. He is serving the unexpired two-year portion of the term of Mrs. Barbara (Rogalle) Miller who resigned.

Persons desiring to register may do so at the offices of city or township clerks in the area in which they reside.

Egg hunt winners announced

Winners of the third annual Easter egg hunt sponsored by the Belleville-Van Buren Jaycees have been announced.

The egg hunt this year was held on the grounds of the Quirk Road Elementary School, 46270 Ayres, Belleville, and attracted a record crowd.

The winners announced by Eugene Baker were Michelle Fansler of 9985 Hamilton St., Belleville, who won in the age group of 3 years and under; and Brian Eller of 40680 Harris Rd., Belleville, who won in the age group of 4 to 6 years.

Jaycees net \$1,500 in 'walk'

The Romulus Jaycees said they netted \$1,500 in the "Walk for Mankind" held recently in the city.

Romulus walkers averaged \$22 per mile walked, while the national average for a walk is \$18 per mile, the Jaycees said. The largest single contributor was State Rep. Edward Mahalak (D-38th District), who turned in \$125 in pledges.

The largest group participating in the walk were the students of the Romulus Junior High School, led by Principal Stewart Hobbs.

Belleville set to host regional track

36 Class A and B teams compete Saturday

After an absence of a year, the state regional track meet will return to Belleville High.

Thirty-six Class A and D high school teams will converge on the local high school at 8:30 a.m. Saturday to compete for regional honors and hopes to qualifying for the state finals.

"We have some excellent track teams in this regional," said Harry Hidenfelter, Belleville High athletic director, "and we look for an outstanding meet."

BELLEVILLE will play host to all of the area Class A teams including Wayne, Westland, Romulus, Garden City East and West, Livonia Churchill, Franklin, Bentley,

Stevenson and Cherry Hill.

The top three performers and relay teams in each of the 15 events will advance to the state finals. Also athletes who don't finish among the top three but have the necessary state qualifying times and distances will also qualify for the state finals.

There will be a \$1 admission charge for the regional meet. MEANWHILE, Belleville won its first dual meet in two years as Coach Bob Boudreau's Tigers claimed a 65-58 triumph over Suburban 8 Conference rival, Allen Park.

The meet was decided in the final event - the 440 relay - as Ken Hall made up a 10-yard

deficit and came from behind to win the event for Belleville and give his mates the five decisive points.

Belleville collected eight of the 15 first places as Otis

Turrentine and Bruce Ford chipped in with the shot put and pole vault with 48 feet, 7 3/4 inches and 10 feet, 6 inches performances, respectively. Belleville also won the 880-

yard relay. Boudreau picked Gary VanBuhler, Hubert Russell, Tim Brancomb and Hall for the event and they responded with a 1:37.3. Hall was also first in the quarter-mile, turning out a 53.1 while VanBuhler was the top performer in the 180-yard hurdles, running the distance in 21.8.

International basketball's all fouled up

By TOM MOORADIAN

"Doc Kosteva, the venerable basketball official, has some advice for young cagers:

"Don't watch international basketball because it won't help your game. In fact, it may ruin it."

That's what the veteran of 30 high school officiating campaigns said yesterday during a discussion on the controversial USA-USSR cage series. (Both coaches of the international tournament accuse their rivals of "playing dirty.")

DOC KOSTEVA

one international game underminds in one hour."

"DOC IS A PAST president of the Michigan Officials Association Council and is presently vice-president. He also served as the president of the Hawthorne Valley Officials Association president. He knows officials and officiating."

The 54-year-old ref who started refereeing in Michigan over two decades ago after working games in his native New York and in Pennsylvania also took a slap at some of the younger officials who "don't keep in shape."

"Some of these guys can't keep up with today's game because they carry 'bay windows' and it's pitiful to see them running up and down the court. If you're going to officiate you should try to keep in physical shape."

AND THE DOC practices what he preaches by working out with a softball team, bowls and plays golf "every opportunity I get," he says.

"As long as my legs and mind hold up, I will stay in there and officiate. Conditioning is important and is the key to good officiating."

Kosteva's enthusiasm for athletics has rubbed off on his three boys and girls. Marsha, the youngster, is a senior at Livonia Franklin High School where she also is member of the cheerleading team.

Jim, a 1970 Franklin graduate, was an All-State, All-Area harrier. He was recently elected the captain of the North Central College (Naperville, Ill.) cross country team. The school, which boasted a 34-meet winning streak, has lost only two meets in the past three years.

TWO OLDER SONS, Michael and Dave also were outstanding athletes. Michael is presently a business manager for Lloyd Huessner Oldsmobile in Livonia and Dave, an employee of Ford Motor Company in Plymouth is working towards his masters degree in industrial relations.

Doc and his wife, Olga, make their home in Livonia. And, it's no secret that refs and coaches usually don't see eye-to-eye on a lot of calls, but Doc did have something nice to say, for once, about his antagonists:

"Coaching today is all dedication," says Doc, "and you got to love a guy who puts in all that time to develop the skills of our young ball players. He has the toughest job of all."

Doc, I know a couple of guys who'll remind you of that ... come November.

District pairings announced

Although the State of Michigan lottery is stealing the headlines, New Boston Huron High's baseball team has been involved in its own 'lottery' of sorts.

Coach Ron Smith's squad has drawn Dundee High School as its opening round opponent May 12 in the Monroe Auto Equipment Tournament.

In addition, the Chiefs dipped into the hat again and came out with Monroe Catholic Central as their foe in the pre-district round of the Michigan High School tournament. No date has been set for that contest.

Sovodash lifts Huron past Flat Rock, 70½-52½

New Boston Huron track coach Keith Reed hates to think what he would do without Mike Sovodash. The versatile Chief thinned personally whipped Huron League foe Flat Rock last

Tuesday by recording three firsts and a second-one tying a school record - as Huron breezed to a 70½-52½ win. SOVODASH equalled the school record for the high hurdles in 15.8 seconds, took an easy first in the high jump at 5-feet, 1-inch, and participated in Huron's victorious mile relay. As an added measure he placed second in the low hurdles at 21.1.

Besides Sovodash's three firsts, Huron collected six

more in the rivalry between the two schools.

Dave Durham hurled the shot 37-feet, 7½-inches, Don Johnson soared 9-feet, 6-inches in the pole vault, Ed Fakhoury ran the 880 in 2:10 and Melvin Sheats' time of 5:11.4 was tops in the mile. Also, Don Bennett hustled to a first in the 440 with a clocking of 57.4, and Tim Bileroy recorded a meet-high 11:02.7 in the two-mile.

"FOR THE FIRST time this year, we were leading after the field events," Reed said. "This is a close rivalry and we really got 'up' for it."

The Chiefs came down fast two days later, though, at the hands of Monroe Catholic Central, 84-39.

Sovodash again paced the Chiefs, with first in the high jump and high and low hurdles. Huron's Fakhoury was barely edged by Terry Morrin of Monroe CC in the half-mile, in the meet's most exciting event. The winning time was 2:02.1.

Area '9's set for district

(Continued from Page B-1)

Mike Hunter's sacrifice bunt after Bob Eves had walked and stole second accounted for the Eagles' second inning run while Vergel Smith scored in the third when he was safe on an error, stole second and third and raced home when the throw to get him at third wound up in left field.

Mario DeLarosa was safe on an error, stole two bases and scored when Mike Hunter grounded out in the fourth while Eves singled, Hunter chased him to third with a double and one run scored on a throwing error in the sixth.

Smith's single and Pollard's grounder to short led to Romulus' seventh inning run.

ROMULUS also dropped a 10-5 ball game to Ecorse on Friday as the Eagles' over-all record dipped to 4-8 on the season.

Ecorse scored three in the first inning off of losing pitcher Tom Madej, who went the distance. However, the Eagles evened the score in the top of the third when Hunter walked, scored on Bob Eves' double and Eves subsequently scored when Pollard singled. With two away Smith walked and Pollard bolted for third and got credit for a stolen base.

Then, Smith got involved in a "run-down," enabling the third run to come across. The Eagles grabbed an ephermal lead by scoring two runs in the sixth thanks to Mike Neilson's single, a triple by Ray Pokewenski and Hunter's base hit.

However, the proverbial roof crashed on the Eagles when Ecorse tallied seven times in the bottom of the inning with the help of an interference call against Smith.

Madej, who went the distance, gave up the 10 runs on eight hits while striking out seven and walking four.

Pollard accounted for two (in four times up) of Romulus' eight hits.

Romulus will travel to Ypsilanti today and will host Ecorse tomorrow. Both games are scheduled for 4 p.m.

Tigers whip Mt. Carmel

Cicotti hurls no-hitter

By DALE GOWING

ANP Sports Writer

Saturday was probably the only time Al Cicotti will ever wish his teammates weren't such good hitters.

The Belleville High pitcher fired a masterful no-hitter for five innings before the game was called in accordance with a tournament rule. The rule stated that if a team takes a lead by seven more runs the game must be ended at that point.

SO CICOTTI can only speculate what would have happened in those last two innings had Belleville's batters not taken a 7-0 lead against Wyandotte Mt. Carmel in the opening round of the Downriver tournament at Wyandotte High School.

Cicotti walked five and struck out 12 as he baffled Mt. Carmel with fast-balls and an

occasional change-up.

"Al throws hard," said his coach, Vitold Kaminski. "He's big and has the ability to overpower the hitters."

Greg Ivan collected three RBIs on a two-run single in the second inning and a run-scoring double in the fifth. Belleville wrapped it up early with five runs in the second, one in the third on Dave Dapsi's triple and the final run in the fifth.

JOE STILLWAGON led off the third with a double which was followed by Ivan's two-bagger.

The victory left Kaminski's crew with a 6-3 record overall, but Belleville is 2-3 in the Suburban 8 Conference.

The single-elimination Downriver Tournament will conclude Saturday.

Chiefs do it again to Monroe's Panza, 4-2

New Boston Huron's baseball team has Jim Panza's number.

The Monroe Catholic Central hurler has pitched both times that his squad faced the Chiefs this season, and twice has come out a loser.

Huron did it to Panza again last Friday, 4-2, thanks to a few timely hits, five Monroe errors and another sturdy mound performance by Jamie Hinojosa. The Chief ace scattered six Monroe hits en route to his second straight decision over the Huron league foe and a 3-3 season mark.

HURON'S QUIET bats of late perked up long enough to maintain a one-run edge most of the game while notching five hits. The Chiefs jumped to a 1-0 first-inning lead before Monroe tied it in the second, then tallied twice in the third while Monroe closed the gap to one, 3-2, in the sixth.

Tim Hinojosa, Jamie's younger brother, stroked a run-scoring double in the seventh to insure Huron's fourth league win against three losses. The Chiefs stand 5-5 over-all.

Mario Gracia collected Huron's other RBI, while the Chiefs' remaining two runs came on Monroe errors.

Huron's Terry Verner went 1-for-2 with two walks and Dana Kemp and Jamie Hinojosa each donated a single.

CHIEF COACH Ron Smith remains concerned about his squad's lazy bats, despite the win.

"We've been getting good pitching and good defense, and have been in most of our ballgames all the way," he

Gooden: 54' 11½"

There's no stopping Daryl Gooden. The outstanding Romulus athlete again broke the shot put record last week as Coach Jesse Meriweather's Eagles won a 65-58 decision over arch-rival, River Rouge.

Gooden had a put of 54 feet, 11½ inches to erase his previous mark. He also personally accounted for two other field events, leaping 5 feet, 10 inches in the high jump and clearing 11 feet, 6 inches in the pole vault.

Michael Darden broad jumped 19 feet, 3½ inches to provide the local team with a sweep in the field.

THE EAGLES also had six other first places. Brad Smith's 18.2 was the best performance in the high hurdles. The versatile athlete came back with 22.9 to take the low hurdles.

John Trumpp covered the mile in 4:39.2 and Clethas Nesbitt ran a 10.8 for the 100-yard dash while Robert Morrison turned in a 58.2 for the 440-yard dash, nipping teammate Sedlacek by one-tenth of a second.

Angelo Sandusky's 11:07.5 was good enough to win the 2-mile run.

JERRY BLUHM

Belleville student leads team champs

The 1973 champion of the National Forensics Association is the Eastern Michigan University (EMU) team.

Jerry Bluhm, son of Mr. and Mrs. Donald Bluhm of 335 Brain Ave., Belleville, led the EMU team by scoring first in both the extemporaneous and impromptu categories, an unusual feat seldom accomplished at the national level, according to Dennis

Beagan, EMU forensics coach and director of the National Forensics Association tournament.

Jerry also won sixth place in after-dinner category.

Winning a total of 261 points, the EMU team swept to victory as it hosted the recent National Individual Events Tournament.

More than 600 students from 74 colleges and universities competed.

CAP participates in search

Members of the Michigan Wing of the Civil Air Patrol (CAP) participated in a search for plane reported overdue on Easter Sunday.

Capt. Edward L. Dezomits said that CAP members were alerted for duty April 21 to look for the plane coming from Erie, Pa., going to Livingston County Airport, located at Howell. It was reported overdue.

The weather being bad for flying on Easter morning, Dezomits said he took a ground team (land rescue) and drove a ground search from Romulus to Bryon, Mich. The pilot was from Bryon. After making a search

from Romulus to Bryon, Mich., The pilot was from Bryon. After making a search along the way, the CAP members returned to their base in last afternoon.

The search for the plane was

canceled April 23 by the U.S. Coast Guard.

Capt. Dezomits issued thanks to all Civil Air Patrol members who gave up Easter Sunday to search for the lost plane.

Area students earn degrees

GREENVILLE, S. C. — Approximately 565 graduate and undergraduate degrees and certificates of completion will be conferred by Bob Jones University, Greenville, S. C., Wednesday, May 30.

Among the degrees to be conferred are the bachelor of arts, bachelor of science, bachelor of divinity, master of divinity, master of arts, and doctor of philosophy.

Dr. Bob Jones III, president of the university, will confer the academic degrees on some 439 students from 38 states and several foreign countries. Also, honorary degrees will be conferred upon several outstanding Christian leaders.

Certificates will be given to 51 students completing the three-year program in the Institute of Christian Service and to 38

students enrolled in the one-year business course.

From this year are:

Mrs. John Robert Monta, the former Kathleen Malone, daughter of Mr. and Mrs. Charles Samuel Malone of 40036 Huron River Drive, Romulus; bachelor of science degree, elementary education, School of Education; member, Tri Sigma Literary Society.

Michael Paul V. Barrett, son of Mr. and Mrs. Charles P. Barrett of 7829 Beck Road, Belleville; master of arts degree, Bible, School of Religion.

Our men in service

LESTER A. SELLERS
Marine Pvt. Lester A. Sellers, son of Mr. and Mrs. Arnold Sellers of 21281 Haggerty Rd., Belleville, has graduated from basic training at the Marine Corps Recruit Depot, San Diego.

Navy Seaman Recruit Larry D. Brinegar, son of Mrs. Ella Braden of 17860 Glenis, Romulus, has graduated from recruit training at the Naval Training Center here.

He is a graduate of Flat Rock High School, Flat Rock.

Collectors item

Aruba has a square nickel which is often carried away by collectors. In fact, it is so popular that it is sometimes in short supply.

Panax announces staff promotion

EAST LANSING — An executive promotion in its newspaper and commercial printing operations has been announced by Panax Corporation.

Frank H. Shepherd, 31, has been named Central Michigan regional manager. The Mount Pleasant Daily Times-News and the Alma Daily Record-Leader in the center of the state will come under Shepherd's direction as well as the commercial web-offset printing divisions in the Lower Peninsula of Michigan.

Announcement of Shepherd's promotion was made by Panax Executive Vice President Michael L. Dow.

A native of Port Huron, Shepherd began his newspaper career at the Port Huron Times-Herald. He worked in circulation and advertising capacities at the Times-Herald and later on the Utica (Mich.) Daily Sentinel where he became general manager.

Shepherd's career with Panax Corporation began in 1969 with the Ingham County (Mich.) News as business manager. He was appointed general manager of Inco

Graphics in Mason, Mich., in 1970 and he has been in charge of that firm's typesetting, web-off-set printing, and mailing operations since that time.

He also served as General Manager of Associated Newspapers which includes the Daily Eagle, Belleville Enterprise and Romulus Roman.

A Spring Fling set Friday

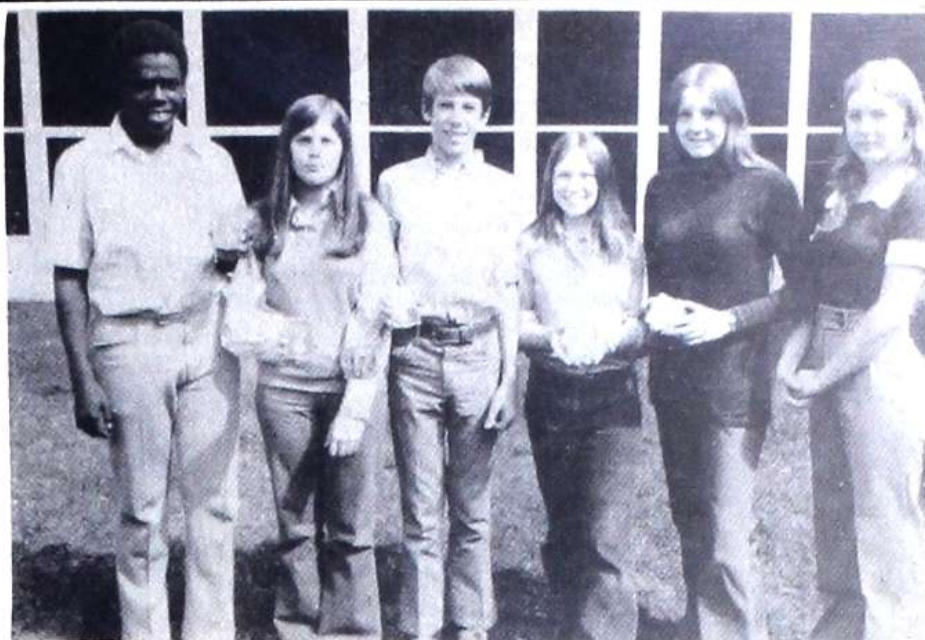

Trinity Episcopal Church in Belleville is holding a "Spring Fling," this Friday.

Music will be provided by Tom Scothorne's "The Thirsty Three." Dancing will be from 8 to midnight in the parish hall of the church. There is no charge for refreshments.

Tickets may be obtained in advance from chairman Rae Thom, phone 697-7590 or can be purchased at the door.

Monastery

St. Pachomius, an Egyptian, founded the first Christian monastery.

A NEW AWARD — South Junior High School in Belleville has initiated a new award — the "Principal's Award" — for "all around" students in all areas selected by teachers. Finalists in each grade receiving the first

presentation of the award are (from left) Pat Van Buren, Diane Shepard, Tom Wegerbauer, Sue Bowles, Darlene Brady and student award chairman Diana O'Quinn. Not pictured is Mike Smolen.

Romulus gets funds for revenue-sharing

The City of Romulus has received \$69,002 in federal revenue-sharing funds for the entitlement period Jan. 1 to June 30.

The city council with the concurrence of Mayor Hyle J. Carmichael has designated \$51,000 for public safety, which means another unit of the Wayne County Sheriff's

Department road patrol service is now available for the city police patrol.

The balance of \$18,002 is designated for payment on vehicles already on order to the city use in city operations.

Both expenditures will render additional services to the taxpayer without any increase in tax rates.

Retiring teachers honored

The Romulus Elementary School PTA honored two retiring teachers Tuesday at a tea.

The honorees were Mrs. Clarissa Brown and Mrs. Fern Barlow.

Mrs. Brown taught 10 years at the school and Mrs. Barlow taught 20 years there.

The two were presented with charm bracelets and there was a special program in their honor.

CARROLL RIGHTER'S HOROSCOPE

from the Carroll Righter Institute

Tomorrow's forecast from the Carroll Righter Institute

GENERAL TENDENCIES: A day and evening when you need to avoid at almost any cost any argument or discussion with anyone else and to make sure you do not get so involved in the small things of everyday life that you neglect a pleasant and kind word for those with whom you are allied. Hasty words or acts could lead to estrangements.

ARIES (Mar 21 to Apr 19) Handle all those replies to letters and other responsibilities you have very intelligently today and get good results. Don't waste time criticizing a co-worker. Just make sure your own work is right.

TAURUS (Apr 20 to May 20) Put yourself in professional hands and improve your appearance considerably. Get into those hobbies tonight that give you much pleasure. Try to be a more active person and you become happier.

GEMINI (May 21 to June 21) You want to make good changes at home so there is more charm, beauty there, but first get approval and cooperation of kin. Throw out whatever is old and ugly. Replace with the new and charming.

MOON CHILDREN (June 22 to July 21) You are in a fighting mood so be sure you do not get into arguments with associates. Curb your temper. Don't let some disappointing letter floor you. This can be turned to your benefit later.

LEO (July 22 to Aug. 21) Cultivate the habit of economy now and you soon have a tidy sum for more constructive investment. That business expert is not in a good mood. Await a better day to consult with him. Take it easy tonight.

VIRGO (Aug. 22 to Sept. 22) Don't waste time bickering with another over some small matter. Keep busy at whatever is important. Take the time to improve your particular surroundings and get rid of the jitters. Out to dinner tonight.

LIBRA (Sept. 23 to Oct. 22) You're now able to get at all those duties awaiting your attention, but do them in a methodical fashion for best results. Cheer mate who may be in a sad mood. Smile more.

SCORPIO (Oct 23 to Nov 21) You may not see things as your friends do, but if you give in a little, you gain much instead of losing a good deal. Don't be argumentative or forceful with anyone. Diplomacy is your best bet.

SAGITTARIUS (Nov 22 to Dec. 21) Show a bigwig you imitate him and make a real place for yourself, improve your reputation considerably. Make sure you pay that bill or you get into trouble later. Save time for one who needs help.

CAPRICORN (Dec 22 to Jan 20) You have new plans that require more study before you can put them in operation successfully. Some new acquaintance has good advice, so listen carefully. Study it further before you show anyone, or use it.

AQUARIUS (Jan. 21 to Feb. 19) Use wise system for handling your responsibilities and don't fall down on any of them. You had better not say much to mate, who is in the mood to criticize now. Get some reading done that you like.

PISCES (Feb. 20 to Mar. 20) Postpone those talks with a partner until a better time and do that work that is necessary first. Get advice from bigwigs how best to handle that civic duty. Then follow it to the letter.

IF YOUR CHILD IS BORN TODAY... he or she will be one of those fascinating young people who will be good at any work that requires the handling of much detail efficiently, but it is important you teach also to keep the big goals always in mind as well. The chart is fine for research work, exploring, handling whatever has to do with diet, working in laboratories, etc. Teach early not to deliberate so much but to reach a decision quickly and accurately. Hunches are good here.

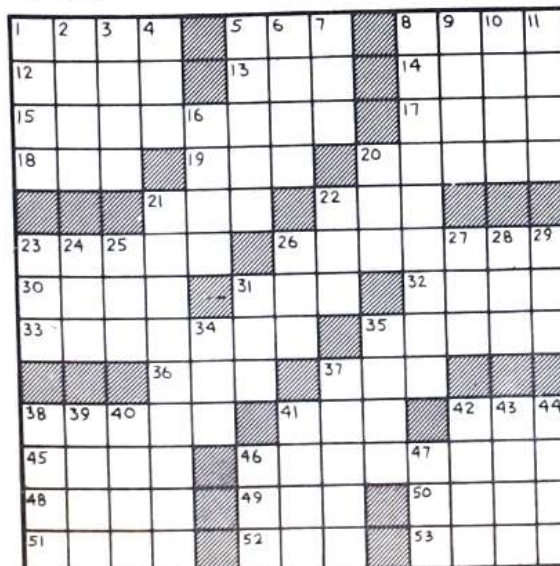

"The Stars impel, they do not compel." What you make of your life is largely up to YOU!

Carroll Righter's Individual Forecast for your sign for June is now ready. For your copy send your birthdate and \$1 to Carroll Righter Forecast (name of newspaper), Box 629, Hollywood, Calif. 90028.

10. Motion by Stewart, supported by Oakley, that Resolution 37-370 (Opposition of Senate Bill 191) be adopted:

RESOLUTION 73-370

WHEREAS: Senate Bill 191 has been introduced providing State Licensing of bicycles with an annual fee of \$3.00 to be collected by the Secretary of State; and WHEREAS: The Bill would prohibit local licensing of bicycles and, with this high licensing fee, impose undue hardship and privation on families with multiple bicycle users.

THEREFORE, BE IT RESOLVED: That the City of Romulus opposes this bill creating State Licensing of bicycles; and

BE IT FURTHER RESOLVED: That copies of this resolution be sent to our State Representatives and neighboring communities.

Roll call vote showing: Ayes - Bizek, Block, Edwards, Stewart, Pennington, Oakley, Raspberry. Nays - None. Motion carried unanimously.

Motion by Oakley, supported by Pennington, that Resolution 73-371 (G.E. Wash Construction, Inc. petition for Subsidized Housing Commitment) be adopted:

RESOLUTION 73-371

WHEREAS: In accordance with A-95, Review and Comment procedures, the Southeast Michigan Council of Governments, performing its function as the certified clearinghouse agency for the Southeast Michigan Region, will review the Housing Application submitted thereto by Glen E. Wash Construction, Inc., pursuant to the requirements stated in HUD Circular HPMC-FHA 1600.1A; and

WHEREAS: Said application seeks the feasibility of financing a project popularly referred to as Cambridge Station West, located on Ecorse Road within the City of Romulus

We guarantee your new car Road-to-Roof, bumper to bumper, bolts to battery, spark plugs to seat belts, tune ups to tires for 12,000 miles or 12 months.

Free Mechanic Warranty

This car is guaranteed against whatever comes first. Subject to the conditions the dealer will perform maintenance & charges for it.

Our exclusive Mechanic Warranty goes way above and beyond the factory warranty. And there's no small type that takes away what the big type gives you. To sum it up, you shouldn't have to pay a penny for maintenance for one full year or 12,000 miles whichever comes first. For Example, you get a free 4,000 mile and a free 8,000 mile inspection and the factory recommended maintenance scheduled for these periods. The mechanic is free, you pay only for needed parts, if any.

Quite a saving? That's only a start. Subject to the conditions of your factory warranty, we'll fix anything mechanical that goes wrong with your new car for one full year and give you a 15 per cent parts and labor discount for two additional years. But frankly, that doesn't happen much these days. (We check them out too carefully before we sell them.) Oh, our Free Mechanic Warranty does have one condition: It's only good on cars you buy from us.

It's about time a car dealer delivered more than just a car. *

The newest Honda is here.

We want to show you the bigger, stronger, spunkier Honda Civic. Absolutely all new.

The new Civic is sporting engineering pizzazz like 4-wheel independent suspension, anti-sway bar and rack-and-pinion steering.

And although it can get from 0 to 60 in 13.0 seconds, it still runs on pocket change. Gets up to 30 miles per gallon.

Come in and test drive it yourself. We think you'll be pleasantly surprised.

and here.
